Clever Little Southpaw Sends Notice to Pa.

The Fa. The Routke was feeling better last even-ing. He received word from War Sander-that the clever little southpaw was ready to report and take his regular turn in the box to win another pennant for Omaha. War is always a little late in signing up, but as he needs warm weather to do his best Fa has never been worried about him, but just the same will feel better now. Pat Ragan, who will join the Rourke family at Des Moines, is in good condition for the opening of the season, as he has been working through the south with the Cincinnati team. He will greatly strengthen the pitching staff.

LOVERS ARE POOR MARKSMEN Two of Them Try to Shoot Women and Hit Nothing But the . Wide World.

The sea of affection between two erstwhile loving couples became turbulent Monday evening and in the storm that followed two minor shooting affrays were reported to the police and the principals ar-

rested. Asserting that C. A. Givons was becoming too attentive against her wishes Birdie Lewis, 1226 Capitol avenue, fired a shot at her persistant sultor. Both parties are colored and on the way to the police station they became reconciled and when Givens was released on a bond the Lewis woman gave him the key to her room and 2:15. instructions as to where he could secure a

bond for her. The other shooting affray occurred short time afterwards when Charles Farmer, thinking that his young woman friend, a Miss Lipp, had not acted as she should, went to her apartments at Fourteenth and Capitol avenue and commenced shooting up the place. No one was hit and Farmer was later arrested on the

charge of shooting with intent to wound.

PHILADELPHIA. April 14.—New York won the opening game of the National league season here this afternoon through the fine pitching of Mathewson, by the score of 3 to 1. He kept the four hits made off him swattered and had excellent con-trol at every stage. McQuillen also pitched in good style, but his lack of control was responsible for his team's defeat. Tenney and Sridwell, formerly of the Boston Na-tion as played a prominent part in New York's victory, two bases on balls given to the latter, proving the turning point of the contest and Tenney driving out a single and a double. it Memorial Day. LINCOLN, April 14.—(Special.)—The date of the annual track meet between Nebraska and Minnesota will be changed from May 20 to an earlier day in that month. This statement was given out by Manager Eager of the University of Ne-braska this afternoon. If arrangements can be made, the date for the meet will be May 29. Manager Eager is communi-cating with the Minnesota authorities in an effort to get them to take the earlier date, and it seems likely that they will. A few weeks ago they stated positively that no date woud suit them except May 20, and it was that attitude which led Manager Eager to schedule the contest for Memorial day. The protests, however, against holding the meet on Memorial day guickly decided the manager of the Corn-tusters to get another day for the con-test.
