Harvard Man to Let the Athletes Sleep.

The post-season wrestling series between the latter part of this week. The Nabraska Graham Foster of Tale, and Robert Folmanagers look for a greater most than last well of, Pennsylvania has been an interesting thing and an odd one. and retarded the spring training for a 500 contestants. The most this spring will having met with great success in the meets before the intercollegiate championship There will be fourteen events in the meat apparently was ploued when the Yale this spring, as follows: 160-yard dash, 326- captain threw him in the intercollegiate contests and asked to get satisfaction a put, high jump, discus throw, 20-yard a meet later in the year. For the second dash, 20-yard hurdles, 60-yard dash, 1 mile lime Folwell was beaten and again it was run, hammer throw, broad jump and one arranged that they should meet. This half-mile run. Every school will be al- is hardly like college sport, but more like personal rivalry between two wrestlers. Whether it is exactly in the line of the put pose of intercollegiate athletics is hard to say. To some persons it might very well appear as having a lings of the profes about it, not the professional from th school and the distance from Lincoln. A there is no purse and no side bet, but money end, because it stands to reason that solely on the ground that it is so personal a matter between the men.

It is almost as Harvard and Yale, after and bronze medala will be given to the winners of first and second places respec-go on and play a couple more with the go on and play a couple more with the professed object of determining which is the better team in a longer series. Again Cornell and Columbia might want to de cide that very close boat race at Pough keepsie more to the satisfaction of the carsmen in the two shells, and with that in vlow might arrange for another race to have also been received from Falls City, be held on July 4 or some such date in connection with some other regatts. It doesn't look exactly right, although

it may appeal to both man as a perfectly Word was circulated around the university proper procedure. If the men are not taking time away from their studies to carry out their series of bouts the colleges cannot well object, however. But it establishes plicated them in irregularities in the use a had precedent and is of very little real use. It cannot upset the result of the in tercollegiate wrestling championship, be cause Foster is the title holder. On that ground then it is a foolish procedure and on any other it falls short of the purpose of having meetings in athletic sports be tween college men. Cornell Will Not Compete.

It must have come rather as a surprise to the American Olympic committee to table were paid, and in order to keep him learn that Cornell did not intend contribcollegiate symnastic association will be on the team the men who has the financial uting to the fund for the Olympic games means kindly helped the captain settle his in London. The expectation was that the a stone wall, and the absence of Dolan will who returned this week from the last con- personal expenses, it is said.
