EXPRESS MEN ARE TROUBLED

(From a Staff Correspondent.) LINCOLN, April 21.—(Special.)—Attorneys for the express companies doing business in Nebraska, Charles J. Greene and Ralph Breckenridge, argued in the supreme court today for a modification of the order of the court compelling a compliance with the provisions of the Sibley 5 per cent reduction law. Mr. Greene submitted a number of letters from agents of the various companies, saying they were unable to understand the order, it being a question in their minds whether the 5 per cent reduction provided for by the law applied to the weight of the package, upon which rates are based or to the charge for the shipment, based on the amount paid. This, according to the letters read to the court, appeared to be a very serious problem in the mind of the agents of the express companies as well as to the superintendent and to the attorneys.

Mrs. Curtis says that with the help of Duffy's Pure Malt Whiskey she hopes to live many happy years yet.

Mrs. Curtis recommends Duffy's Pure Malt Whiskey as a tonic stimulant for both young and old. "I have had a great deal of trouble with pains in my back, which the doctors told me was kidney disease. I doctored for a long time, but found no relief. I finally was induced to get a bottle of Duffy's Pure Malt Whiskey. It did me good from the start. The pains in my back are gone and I feel as well as ever. It has done more for me than all the other medicine I have ever taken, and I cannot say too much in praise of it. I am 101 years of age and have never had anything to help me so quickly and continue to keep me so strong and well as your valuable whiskey. My heart action has strengthened and my entire body built up. I feel now as if, with the aid of Duffy's Pure Malt Whiskey, I can live in happiness for many more years.

I feel it my duty to write my thanks for the good Duffy's Pure Malt Whiskey has done for me, and I hope you will publish my letter for the benefit of old people who wish to become strong and vigorous, and for young people who wish to continue in good health and spirits."—Mrs. Mary E. Curtis, Farley, Iowa, August 15, 1907.

Duffy's Pure Malt Whiskey

is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt essence, which is the most effective tonic stimulant and invigorator known to science; softened by warmth and moisture its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

It is invaluable for overworked men, delicate women and sickly children. It strengthens and sustains the system; it is a promoter of health and longevity; makes the old young and keeps the young strong. CAUTION—When you ask your druggist, grocer or dealer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the only absolutely pure medicinal malt whiskey and is sold only in sealed bottles; never in bulk. Price \$1.00. Look for the trade-mark the "Old Chieftain" on the label, and make sure the seal over the cork is unbroken. Write Dr. A. Curran, Consulting Physician, for free illustrated medical booklet and free advice. Duffy Malt Whiskey Co., Rochester, N. Y.

the village board of Chapman asking that he be granted a license to operate a saloon. The petition was filed Friday, and has the required number of signers. The difficulty in Chapman has not been to elect a license board, as the sentiment there seems to be in favor of a wet town. The chief obstacle encountered has been to secure the required number of signers, the town being so small that it is extremely difficult to secure the number of resident freeholder signers required under the law. This difficulty was encountered last year. The village board granting the license, but an appeal to the district court by the petitioners was submitted and hence the town was dry this year. If Chapman secures a saloon this year it will probably be the only wet town in Merrick county, as central city went dry as usual. Clark, which has had saloons for over ten years, has gone dry and there is every probability that the saloon men will be unsuccessful in Silver Creek.
