Guarantee of 10c Cigars for 5c

Every smoker of domestic 10c cigars who will come to our splendid new store and invest 5c for a cigar we will guarantee to supply with smokes equal to any 10c cigars sold in Omaha.

WE HAVE IN THE LAST TWO WEEKS PURCHASED OVER 100,000 CIGARS AND WE INTEND DOUBLING OUR PRESENT IMMENSE CIGAR BUSINESS.

Come in and have a talk with our cigar man. We feel certain he will be able to diagnose your taste and supply you with what will suit you best.

Remember 5c is not a great amount of money and if we can supply you with smokes that will suit your taste you will surely not be prejudiced and cannot refuse to become one of our patrons, or at least take a chance for a nickel.

In the past we have been handicapped with dry cigars, but since building our immense new humidor (capacity over 500,000 cigars) we have entirely done away with that bad feature.

We wish to call attention to one purchase which has just arrived:—

The Literary Digest We claim absolutely that this is the equal of any 10c domestic cigar in town, and our many customers are urged to order a box immediately, as they will not last long. (Add 25c for postage.)
