Hollenbeck Stems the Tide and Fans the Heavy Hitting Zalnaky in the Hair-Splitting

Pa's Champions celebrated their return home from the western trip by winning the opening game Saturday from Denver by the score of 4 to 2. Faster and more interesting ball has seldom been seen on the

in southpaws to do the twiffing, and they both pitched splendid ball most of the day. Adams was invincible during the first part of the game, while Hollenbeck was a little shaky, and Hollenbeck steadled down dur ing the last part of the game and held Denver safe, when Adams was less steady

Twice Denver took the lead, and twice the Champions overhauled and tied the Mountaineers. The score was tied in the eighth inning, when Omaha made two, and thus it stood until the finish. A ninth inning rally by Denver seemed to threaten game for a time, but Hollenbeck refused to have any balloon ascension and simply plowed along, making a good finish by striking out Zalusky.

The weather man seemed to know the Champions had returned and consequently ished up the finest day of the year. The ans knew it was a fine day and turned ut in large numbers, and then not to disppoint all these. Pa sent them home happy

the fifth, when Dr. H. John Welch started the fun with a long double to the right field fence. Gonding sacrificed him to third and Eill Belden drove him bome with a single and the score was tied.

It did not stay a tie very long, however, Denver another run. Kinneally, who had double, which soured over Welch's head, dreas played a star game. Score:

## STATE'S ATHLETES TO MEE

Interscholastic Competition at Line coln Draws Well.

## TWO HUNDRED ENTRIES RECEIVED

At Least Twenty Starters Will Appear in Every Event-Records of Nebraska Men.

LINCOLN, May 9 .- (Special.)-The annual state interscholastic track and field meet will occupy the boards in the University of Nebraska athletic circles next week, The meet, which will be held at the state fair grounds Friday afternoon under the direction of the university athletic authorities, has the largest list of entries of any contest in the history of the interscholastic association, and promises to surkeenness in competition. Students at the Cornhusker school are taking great interest in the coming contest and, with the visitors from out in the state, will give the meet a larger attendance than the record breaking crowd of last May.

When the time for filing of the entries for the meet expired at 6 o'clock this afternoon, Dr. Clapp had received the names of nearly 200 school athletes who will enter the events Friday. By Monday, when the BOSTON, May 2.- New York defeated entries that were sent from several schools Boston, 2 to 1, today in a game which today are received, Dr. Clapp expects the list to include, about 226 names. Last year 149 high school athletes competed in the meet. The list for this year, with several schools to hear from, contains many more names than that number. Fifteen schools that did not send contestants to the 1907 meet have entered men for Friday's contest. With the schools that competed last spring and the fifteen new contestants, the list will number between thirty-five

### and forty competing schools. Many Starters in Events.

There will be at least twenty athletes starting in each event, and in some of the important races there will be over thirty contestants. The large number of men entered in these events will require several heats and will necessitate the starting of the meet shortly after the noon hour.

Among the athletes who will compete in the meet Friday there are several students who have been doing some excellent work in the dual contests in the state, and some of these are expected to lower a few of SENATORS DEFEAT ATHLETICS the present interscholastic records.
