175 ROADSTER CLUB WANTS A TRACK

Seeks Driving Park Where Matinees May Be Held.

The Omaha Matinee club is again active in its efforts to secure a driving park where matinee races may be held by the Omaha Roadster club every week or every two weeks. An effort was made to come to some agreement with Mr. Renne, who has leased the old fair grounds near Elmwood park, but no understanding as to the price was reached at a meeting which was held by the members of the club, when Mr. Renne was present, so the club is now looking for another track where matinee races may be held. A location in East Omaha near the car line is available and the members are now considering that location. May Be Held.

RITZMAN BACK IF HALL IS OUT

Youngsters Will Be Recalled if Injury Captain Franck will take no chances on crippling his pitching staff, but will rescal Ritsman from the farm if Hall is to be out of the game any length of time on account of his injured arm.

"I will find out from the doctor at once," says the cap, "about how long to expect Hall to be laid up, and if it is a period of any duration then I will bring Ritsman back and put him to work at once. I think well of him, anyway. He has good stuff in him and will make a good pitcher with training. We are hoping, of course, Hall's arm shows no sign of improvement as yet. It is very lame, but Franck will wait a couple of days longer before taking action. Proves Serious One.

This evening at 8 o'clock the finals will be run off among the athletes from the nine schools that scored the most points in the preliminaries. These schools were Central, Cass, Farnam, Long, Lake, Kellom, Saunders, Fark and Wainut Hill, Last year in a similar meet the Central school boys won the pennant for first place. It is understood that they have a good chance of repeating their victory this year, but the other schools also have strong beams and are determined not to let the Capitol hill boys win again, so the contests will be close and interesting.

It is to be hoped that Manager Irwin of Denver and White will soon be able to play. Their absence from the game is a terrible injury to their team.

Denver certainly has had its share of tough luck this season. Manager Irwin and Harry White both out of the game at once makes it hard for the Teds. Addie Joss, the Cleveland pitcher and yellow syndicate sporting writer, predicts the St. Louis Browns will be at the tog when the season closes. He ought to know.

Itching, disfiguring eruptions, rashes, boils, etc., as well as pimples, black, heads and rough, scaly skin, show the presence of some irritating humor in the blood. These acids and humors with which the blood is infected are being constantly thrown off through the pores and glands of the skin, and the fiesh is kept in an inflamed, diseased and unsightly condition. Nothing applied externally can change the condition of the blood or prevent the outflow of these burning acids; only constitutional treatment can do this. Washes, salves, lotions, etc., cannot reach the humor-laden blood, and are therefore useless, except for the temporary comfort and cleanliness they afford. The acid poison in the blood must be removed before a cure can be effected. S. S. It completely endicates every trace of impurity and restores this vital fluid to its natural healthy state. S. S.
