### FREE TODAY!! A Beautiful Decorated Plate Souvenir

The manufacturers of the Detroit Ideal Gas Stove will give a cooking exhibit at our store Saturday afternoon and evening, between 2 and 5 and 8 and 10 o'clock. Mr. Markey, their Gas Stove Expert, will have charge of the exhibit. He will demonstrate the superiority of the Detroit Ideal over others in such a way that no doubt can be left in the minds of those who talk to him. He will demonstrate that their solid cast drilled burner does take less gas than others. That the stove is much better constructed than others, and that the oven, excluding the poisonous fumes of the burners, makes baking as pure and wholesome as though baked in a steel range. Every housewife attending the exhibit, will be presented with a beautiful decorated plate souvenir. A dainty lunch of hot biscuit baked in three minutes in the Detroit Ideal and hot coffee will be served. Music by a Mandolin club. While attending this exhibit see the world's best Refrigerator, the Cold Storage.
