### WOMAN SUFFRAGE AND SOCIAL REFORM.

(Continued from Third Page.)

late sanitation, pure food, prohibition, divorce; the care of the aged, the unfortunate, the orphan. All the questions touch in a very direct way the home—woman's kingdom.

When an experiment has been tried for a certain purpose it seems logical to refer to its success of failure. A review of the states in which women have had the ballot will show that their exercise of the franchise has been along the lines of reform mentioned above. Her ballot has not been cast against the forces of right. Is it probable that in the other, the more conservative states, her course will be less judicial?

It may take a little time for woman to learn to make the ballot count for righteousness, but her closer view, and sympathetic touch will be of material assistance in the solution of the social problems that confront her as the home-maker.

The century awaits the "finer issues" of woman's "finely touched spirit."—The Crisis.
