THE TINTED TRAIL

There is a tinted trail that winds its silent way through all the hills and vales of time. Its beginning is somewhere among the eternities forgotten and it sweeps on with mighty momentum toward eternities yet to be. For those who tread its petalled path, life is o'erhung with color of rose and existence becomes as sweet as a story that is told. Realities melt into the molds of dreams and labor becomes as refreshing as cool water after a desert journey. Every hour of every day is a beautiful benediction and all the still nights are haloed with happiness. The perfumes of the

path are rarer than Arabian cult ever knew, the whispering winds sweeter than those that blow o'er Malwa's fields of sleep, the glittered skies grander than the nights bending above Babylon's withered plains. It is the tinted trail beckoning for you and for me—the tinted trail of Love.

We appeal to passengers to exercise care in getting on and off street cars and when crossing streets on which cars are operated. Carelessness in this respect often results in serious accidents.
