BOY SCOUT NEWS

To inquirers: We get for our efforts the satisfaction of knowing and feeling that we have endeavored to do our bit, in the interest of our boyhood, from a racial standpoint, and without compensation.

We realized in the organization of our troops that it would not be possible for us to see every parent personally in regard to the aim of the movement, so we have not adopted it for a rule.

Yes, there are enough boys for several more troop. Who will volunteer to organize them and be their Scout Master?

The scout movement is a universal one and should have the co-operation of every parent who has the coming boyhood at heart.

Troop No. 3 did their bit in aiding the Red Cross membership campaign.

The Panther Patrol gave the Crow Patrol a walloping in their ball game last Saturday.

Marcellous Richie bandaged the leg of a boy who had been struck with a brick.

Dwight Dorsey carried a bundle of clothes home for an aged lady.

Harold Thomas cleaned house for a lady who was sick and disabled.

Law 8—A Scout is cheerful. He smiles whenever he can. His obedience to orders is prompt and cheery. He never shirks nor grumbles at hardships.

FIRMS WANTING LABOR

The Manufacturers' Association of Wilmington.

Wilmington, Del., May 10.

Mr. George W. Parker, Business Manager, The Monitor:

Dear Sir—Your letter to the Chamber of Commerce has been referred to this office for reply.

For your information wish to state that we can use industrious laborers, independent of creed or color, but regret to state that our experience with Negroes has been very painful, as they are as a rule a shiftless, undependable class of labor.

There are plenty of places for men at good, living wages, who are willing to do an honest day's work, and any such class that apply to this association will be placed wherever any openings might be.

JAMES E. STEIN, Secretary.

The Great Western Sugar Company.

Denver, Colo.

Mr. George Wells Parker:

Dear Sir—Your letters of the 18th and 25th to this company have purposely been delayed. We are just organizing a labor department in connection with our company and the matter of securing laborers will probably be submitted to that department for action.

We also find that we are not yet able to secure a sufficient amount of farmers ready to accept Colored labor and until we do it would be useless for you to make any efforts to secure immigration. As soon as this matter gets a little nearer perfection I shall take great pleasure in writing you again.

HENRY H. ROLOFF.

Watertown Chamber of Commerce. Watertown, N. Y., May 7.

Mr. George Wells Parker:

Dear Sir—Replying to your inquiry relative to opportunities for Negro labor in this city, would say we have very few Colored people and doubt if they would readily find employment.

Our people have never become used to employing Colored people and presume, for this reason, it would be rather hard for them to break in.

F. H. LAMON, Secretary.

Reading Chamber of Commerce. Reading, Pa., May 12.

Mr. George Wells Parker:

Dear Sir—In reply to your recent letter relative to Negro labor desired in this community, I wish to state that recently this matter was taken up in regard to another proposition and the information obtained that there was no work available at this time.

A. D. MAC MILLAN, Secretary.
