100 LABOR LETTERS SENT OUT

One hundred copies of the following letter were sent out all over the United States last week by The Monitor in an effort to locate work for about 50,000 people who want to leave the South:

Gentlemen: Are you in need of labor and would you consider southern Colored labor? If so, The Monitor can supply you with the most reliable, most industrious and most efficient. We handle chiefly married men from the lumber and turpentine camps in Mississippi, Florida and Carolinas, and southern Alabama. Ninety per cent of these people cannot pay their fares because of the extremely low wages paid in the south, but a deserter is rare among them.

If you need labor and wish to consider this class of labor, The Monitor will be glad to serve you.

Thanking you in advance for your courtesy, I remain

Yours truly,
GEORGE WELLS PARKER,
Business Manager The Monitor.

LABOR NOTES

The Monitor sent out more than one hundred letters last week all over the United States in an effort to locate several thousand Colored men at once. There is need for 50,000 now, but the companies hesitate to advance transportation.

The Monitor has received a card concerning an employment office located in the Chamber of Commerce Building, Birmingham, Ala. The person sending it in says that he has sent money to that office and has never heard from it since. People should beware.

J. M. Neal, to whom The Monitor sent transportation, writes that the division superintendent of the L. & N. absolutely declined to honor the prepaid order, stating that Florida does not intend to let the Colored people leave if she can help it.

The I. C. shops located at Waterloo, Iowa, asked for ten men last week and the names were sent in by The Monitor. The ten men are all in Mississippi, this state being traversed by the Illinois Central and hence no trouble is to be experienced furnishing passes.

It is not likely that the government will interfere with the Negro exodus. The North needs the labor more than the South, and if the northern mills and factories are to keep up their output under the stress of war they will be strong in the demand that the department of labor leave the situation alone.

Four of the men to whom The Monitor sent transportation are still missing. The loss of \$120.00 out of \$280.00 is a very large per cent and enough to make any company very cautious in the future.

More than 2,000 Colored men arrived in Chicago last Sunday. The city is reported overcrowded and labor agents are recruiting there for other places.

Colored skilled mechanics may correspond with Commandant Rush of the Charlestown Navy Yard, Charlestown, Mass. He is scouring the country for mechanics.

Eleven men came to Omaha last week through The Monitor. All paid their own fares and were given work at once.

The Monitor can place men in Ohio, New York, Minnesota, Pennsylvania, Illinois, Iowa, Nebraska, Delaware, Massachusetts and Maryland. Fares have not yet been advanced for these places, however.

The KITCHEN CUPBOARD

SUNDAY NIGHT SUPPERS.

DEVILED TOAST.—Cut crust from thin slices of bread (whole wheat or graham). Toast to a delicate brown and butter while it is hot. Have ready at your hand a mixture made by creaming together a great spoonful of butter with a quarter teaspoonful each of lemon juice, French mustard and paprika. Spread each hot buttered slice with this, sift over all dry, grated cheese and set for a moment upon the upper grating of the open oven to reheat. Eat at once.

Pea Patties.—Make a rich pie dough, to which one-half a teaspoonful of baking powder has been added, and line patty pans. When baked nice and brown fill with peas seasoned with butter, salt, pepper and a little sugar and thicken with milk or cream and flour.

Cubist Salad.—A crisp lettuce leaf, then an oblong mound of chopped cabbage and onion. Alternate slices of green and red peppers and crown it all with slices of cooked carrots and a sprig of parsley. Use either French dressing or a heavy mayonnaise.

Club Sandwiches.—If the housekeeper has not cooked chicken in readiness these dainties may be prepared from the canned boned variety with excellent results. Remove the chicken from the can, rinse in cold water, drain and expose to the outside air for half an hour. Have in readiness crustless slices of crisp buttered toast and use for the filling a slice of the chicken, two or three heart lettuce leaves, two broiled slices of bacon, one slice of peeled tomato and a layer of mayonnaise dressing. Lay the ingredients one on the other and have the mayonnaise on top. Make the sandwiches quickly, so that the toast will be hot when they are served. This recipe provides a delicious luncheon dish at small cost and is one that can be easily and quickly prepared.

Watercress and Apple Salad.—One bunch of fresh watercress, a cupful of sliced tart apple, a tablespoonful of cider vinegar, six tablespoonfuls of olive oil, two teaspoonfuls of sugar and salt and pepper to taste.

Wash and dry the cress, keeping it as crisp as possible against the ice before using, and arrange it lightly in a salad bowl. Pile the apples on top of the green, and after the dressing has been separately mixed pour it over the whole. Serve immediately.
