## MINISTERS ASKED TO SPEAK ON RACE ORGANIZATION

The ministers of the various churches have been requested by the Negro Civic and Industrial League to call attention Sunday to the need of organized effort on the part of the race in Omaha on the lines suggested by the league.

## CARD OF THANKS

Mrs. Jesse Snell desires to thank her many friends for their kindness, sympathy and floral gifts, during the sickness and death of her brother.

## LABOR NOTES

The labor situation appears quiet at present owing, no doubt, to the army draft. Not until after the same takes place will the labor market reach adjustment.

Two Pensacolians, E. W. Walker and John Eagen, arrived in Omaha Monday from Pittsburgh, Pa. They say there is plenty of work around Pittsburgh, but the city is so crowded that accommodations are at a premium.

Four men of the South Side are expected their families to arrive in Omaha Sunday.

Work is still plentiful in Omaha. An effort will be made to bring between 100 and 200 men for the smelter.

The Minnesota Steel Mills at Duluth is reported to be fairly well supplied with labor at present. If any more men are needed in any appreciable numbers, The Monitor will make the fact public.

Several firms of Erie, Pa., want colored labor, but are not advancing fares for the same. Only cash can now be handled and these companies consider the risk too great.

It is reported that the labor situation in the far west has become so critical that California has secured a temporary order allowing her to import Chinese. A rumor has it that many Chinese will be used next year in the best countries, but The Monitor has been pressing the claims of Colored people for that work and hopes to succeed.

A. Crum, who was arrested in Birmingham some time ago on the charge of recruiting, has been released and is expected in Omaha soon.
