### SHOWS GREAT CALMNESS

The Omaha police reserves were about to be called to the Pleasant Hour picnic in order to prevent great bodily harm being done to the pergrounds and knocked over all the ice cream. Rev. John A. Williams cautioned self control and the crowd, knowing how well this gentleman loves ice cream, were so astounded at his manifestation of calmness under such provocation, that they simply be allowed a piece of watermelon or fried chicken.

ST. JOHN'S A. M. E. CHURCH NOTES

N. W. C. A. NOTES

The lawn social and dinner given at the residence of Mrs. J. H. Smith Monday, August 13, under the supervision of Mrs. R. K. Lawrie, for the benefit of the Home, was a grand success. \$55.40 was realized during the evening. Mrs. George A. Joslyn also made a donation of \$20.00 toward the social, making a total of \$75.40, for which the N. W. C. A. desires to thank the public. Great credit is due Mrs. Lawrie for her untiring efforts in collecting donations and managing this affair. We are also very grateful to the merchants who so generous ly donated provisions of all sorts for this entertainment, a large portion of which was not used, and was sent out to the home. We also wish to thank Mr. C. N. Huey, who donated his car and gathered up all donations, and Mrs. Smith for the use of

### The Reason for Toll Charges

Less than one-fourth of our subscribers make three-fourths of all the long distance telephone calls.

The long distance lines are used only occasionally by the large majority of tele-phone subscribers.

For this reason a charge is made for each long distance call rather than cover the expense of providing this service by increasing the local telephone rates.

It would be very convenlent not to have to pay extra to talk to neighboring towns.

If we gave free long distance service, however, it would mean that all telephone subscribers would pay the cost of maintaining the long distance lines which are used generally by only a few.
