### N. W. C. A. APPEALS FOR ASSISTANCE

The women of the Negro Woman's Christian association, feeling the public is not thoroughly acquainted with the fact that this Christian home, designated to care for the old and infirm of our race, although carried on by a faithful few, is the property of the people of the city of Omaha and is theirs to manage and operate as they think best, have decided to launch a campaign for members and small monthly pledges.

For membership that all citizens who are interested in the welfare of their mothers and fathers, all citizens who feel an especial race pride in protecting the aged of their race, may come forward, join our association and express themselves. By so doing we may have a home "of the people and by the people."

For small monthly pledges that every man and woman may do his bit to insure protection and comfort and thus gladden the heart and brighten the life of some mother or father.

See our announcement on another page of this paper. Give us your name, pledge us at least 10 cents per month, then come to our association and see your name credited with your money on our register.

ANNA BOWLER,
