FROM THE BOYS "OVER THERE"

Many of our Omaha boys, belonging to the Ninety-second division, have arrived overseas.

"All happy. Good luck to all."

NEGRO SPEEDER TURNED OVER

Two Negroes with a mania for speed came very near taking a much slower drive Tuesday, when the big White touring car in which they were making sixty miles an hour turned over on the Excelsior Springs road near the Williams farm. As the Negroes were speeding along a team and wagon suddenly showed up ahead of them and the driver of the car threw on the brakes and turned the machine to the side of the road so quickly that it turned over. No one was hurt, but the car was badly battered. The machine bore a Nebraska license tag and the Negroes wore diamonds or what resembled them, enough to buy two or three cars like the one they were driving.—Liberty (Mo.) Advance.

A generation ago the sight of Negroes wearing diamonds, driving a big touring car at a rate of sixty miles an hour, would have caused a sensation from Maine to California.—Daily Call, Excelsior Springs, Mo.

The above item was clipped from the Daily Call of Excelsior Springs, Mo. The "speeders" were John H. Broomfield, William Jackson and Robert Wisdom of Omaha, who were en route to Excelsior Springs in Mr. Broomfield's car.
