## Plan Propaganda by Film Features

Special to The Monitor.

Los Angeles, Cal.—Official notification that the government has ratified the appointment of a committee named by the Motion Picture Directors' association to act with the federal authorities in the production of propaganda films has been received in Los Angeles.

The board was selected at a recent meeting of the association at which government representatives were present, but withheld from the public until ratification could be received from the government.

It has just come to light the directors are virtually donating their services to Uncle Sam. The plan will work out something like this:

The board at Washington will select a story or theme which it desires to give to the public through the camera; a synopsis will be turned over to the association, which in turn will put it in scenario form and assign a director to produce it, the director selected to be the best equipped to stage the particular picture called for.

No salary is to be given the director, the government simply allowing him actual expenses entailed during the period devoted to the production.

The first film to be produced by the directors' association will be "The Spirit of Lafayette" and will be produced in New York. Los Angeles will stage the second.

The directors named on this board are in reality commissioned officers. The government has appropriated \$70,000,000 for cinema production.

The Rev. W. C. Williams, pastor of St. John's A. M. E. church, spent Thursday in Hiawatha, Kas.

Mrs. Ed King of 2810 North 28th street has gone to Chicago for a three weeks' visit with relatives and friends.

Mrs. J. M. Goff, who has been undergoing treatment at St. Joseph's hospital, has returned home and expects to go to St. Joseph, Mo., for a brief visit.

Miss Musa Tann, daughter of Mr. and Mrs. Wm. Tann of North 27th street, and Charles C. Mayo were married at Sioux City, Ia., August 16.

MONITOR CAUSES NEAR RIOT IN CAMP

Camp Funston, Aug. 12, 1918.

Rev. Jno. Albert Williams,  
Dear Sir: You caused a small sized riot this afternoon when The Monitor arrived. I gave a couple out and in a few minutes the tent was rushed by the Omaha bunch.

Just tell all the folks that we are "doing our stuff" as usual and keeping Omaha first. Almost all of the boys are non-coms and among the sergeants are Garnet Timony, who was in the hospital when his company left for France; Nathaniel Perry, James Bell, Willie Wooley, Harrison Brown, Roscoe Miller and Willie Bell, also yours truly, Ray Parker.

We live entirely out of doors and a healthier bunch never walked on two feet. Last night Hubert Glover made a remark that was very true when he said, "Well we left Omaha pink, high yellow and teasin' brown, but we're all midnight browns now."

All are tanned up and looking fit for O. S. S. (overseas service.) We expect to be transferred to the main camp in a week or so. In the meantime anyone who has lost the address can write to the boys in my care and I will see that they receive their mail. Tell all the girls that it makes no difference whose sweetie they were they are our sweet sweeties now." So they need not be afraid to write and then some more and when they get tired to write another while they rest. Give our regards to 24th street and tell them we'll be back before long. Yours truly,

ABRAM W. PARKER,

### "AU REVOIR, NOT GOOD-BY"

To The Editor of The Monitor:  
Kindly publish the following poem dedicated to my brother, Abraham W. Parker, who left August 5, with his comrades to do his share in the world war for freedom.

You're leaving us, dear brother,  
For lands we know not where,  
But there never will be another,  
Your place in our hearts can share.

You always have protected me,  
Is pure as the skies are blue,  
And still protection there must be,  
Now's the time to fight or die.

The love we've had for each other,  
Is pure as the skies are blue,  
We five and our dear mother,  
To each other have always been true.

You'll make good if you get the chance,  
For there's no yellow streak in you,  
Try to be first and on the advance,  
Under the Red, White and Blue.

This is your country, this is your flag,  
So fight the good fight without fear,  
You'll do your share and never drag,  
Au revoir, not good-by, Brother dear.
