

**PALESTINE, TEXAS**

(By A. G. Howard.)

We had a good rain here last Saturday and things are looking up.

All the churches had good services last Sunday.

Mr. B. F. White was in Houston on business for the U. B. F. last week and reported a good time.

Rev. J. E. Wilson was in town recently.

Rev. T. W. Daley and Attorney S. J. Williamson have gone to St. Louis to attend the National Baptist convention.

Rev. S. M. Bolden held the quarterly conference for the Rev. J. E. Wilson and reported as having good success.

Mr. I. H. Bland has returned from Corsicana, where he went last week.

Mrs. Francis Watts died last Friday after a long illness.

Another big crowd of boys have gone to Camp Travis and all seemed to be in good spirits.

The New Era drug store has put in free air, so you boys can come and get your oil and free air; no excuse now.

Mrs. Lizzie Tippit is doing very nicely with her foot, which was injured last week.

Dr. W. R. Roberts is getting along fine. He is able to be downtown, but still has his arm in a sling.

Rev. D. J. Crawford left last week on business.

Dr. F. F. McClennan is under the weather and has been for some few days.

The Colored ball team had a game of ball here last week for the Red Cross and netted \$177.30. We think that was good and on Saturday the Colored people had an auction sale and sold fish and got for the Red Cross \$28.

Mr. Lee and Mr. G. Walker of Tyler were in The Monitor office on business.

Mr. H. L. Price was a welcome visitor to The Monitor representative.

**NEBRASKA CITY NEWS**

(By Mrs. Charles Rollins.)

Mr. Fred Richardson of Lincoln, who at one time made his home with his cousin, Mrs. Lulu Clay, spent Sunday in the city visiting Mrs. Clay.

Mr. Harry Letcher and wife of Kansas City, who have been visiting the Bert Letcher family, have returned

home.

Miss Edith Robinson left Sunday morning for Kansas City, where she taught school last year and will teach again this year.

Mrs. Sarah Gonzales will entertain for our beloved pastor, Rev. J. W. Stapleton, next Thursday night. Come and spread joy with us and spend a dime for a good cause.

Mrs. Margaret Ferguson of Kansas City, who spent a few days in the city visiting her brother, Bert Letcher and wife, has returned home.

Hodge Ellis returned from Camp Pike, being unable to pass all examinations. Ray Turner passed and will make a good soldier. Ray is a mighty fine, hard-working boy—but he would not be his mother's son if he wasn't. His mother, Mrs. Letcher, has promised the first interesting letter about camp life to readers of The Monitor.

Charles Rollins was quite painfully but not severely injured while assisting in unloading autos. He soon recovered, however, and is again on the job.

Mr. Douglas Ellis, who was badly injured at the Morton-Gregson packing plant, is again at work.

Mr. and Mrs. Ira Stewart have moved to Omaha, where Mr. Stewart has work. Mrs. Stewart was Miss Arfura Bell and was reared and educated by her grandparents, Mr. and Mrs. Harding Hampton.

Miss Winona Robinson is house guest of Miss Ella Mason of Nehawka.

Mr. and Mrs. Dan Smith spent Labor day in St. Joseph. Mr. Smith returned, but Mrs. Smith will stay a few days longer, possibly visiting Kansas City and other points before returning.

In speaking of modern inventions Mr. Philip Gonzalas has Henry Ford backed off the map. Phil has a car he built all alone and she is some car. The writer accepted an invitation for a joy ride some few nights ago and must say she is some fifty little speed boat when Phil steps on it we eat no man's dust. He and Mr. Rollie Shafroth are going hunting in the near future and it will be good-by rabbit. What Rollie fails to hit Phil's bound to get.

Mrs. Sarah Capps, an invalid for the past three years and beloved by all is still living.

Mrs. Hattie Richards, who has been very ill indeed is able to be up again. We hope she gets well soon.

Boost for The Monitor.

**FROM PALACE OF PHARAOH**

University of Pennsylvania to Have Pillar That Once Adorned Ruler's Throne.

The first word in a long time from the Eckley B. Coxe expedition to Egypt has been received at the University of Pennsylvania museum from Dr. Clarence S. Fisher, its leader. Doctor Fisher reported excellent success during the winter explorations at Denderah, the ancient capital of Egypt, up the Nile.

In April he returned to Memphis and continued his work of uncovering the palace of Merenptah, who is identified by many Biblical scholars as the Pharaoh of the Oppression, whose stubbornness brought on the plagues. If this is correct, the great hall and throneroom of the palace, which has now been completely uncovered, was the scene of the appearance of Moses and Aaron before Pharaoh, and where the signs and wonders were performed. The throne is said to be in good condition, but Egypt will not permit it to come to this country.

Fortunately, Doctor Fisher has worked over the pieces of the 12 colossal pillars which upheld the roof and has recovered enough to make one complete pillar, which will be brought to the university museum and set up. It will be the most notable specimen of Egyptian architecture in this country. The pillars were six feet in diameter, 80 feet high, covered with inscriptions and pictures inlaid with gold. Much of the panelling of the room and the panels of the doors also were inlaid with gold, and these will be brought here.

The natives of Egypt, it is said, call the palace "The Temple of Moses," as they have an idea that is where he was reared.
