WILL OPEN HIGH CLASS VAUDEVILLE THEATER

Enterprising St. Louisians Will Provide First Class Down Town Amusement House for Colored Patrons.

St. Louis, Mo., Sept. 28.—A big company has been formed, headed by Richard D. Barrett, and has taken over the Imperial theater at 10th and Pine streets. It will operate this famous house, in which many of the greatest stars of the American stage have played, as a high class vaudeville theater, devoted exclusively to the Negroes of St. Louis and vicinity, offering the best entertainment yet

seen at popular prices.

The show will consist of five high class vaudeville acts, super-feature pictures and an occasional traveling attraction such as In Old Kentucky, The Smarter Set, Richards and Pringle's Minstrels and numerous others. The Imperial is being thoroughly renovated and put in spic-span shape, and when it opens its doors it will have a competent and efficient crew of Colored attaches throughout.

Mr. James H. Harris has been engaged as musical director, and this fact assures that the orchestra will be very good.

St. Louis has long been in need of a downtown high priced theater for the

entertainment of the Negro theatergoers and no doubt this will be a welcome announcement.

HOSTESS HOUSE NOW READY FOR OCCUPANCY

Camp Gordon, Ga., Sept. 27.—The hostess house for the Colored troops at Camp Gordon, which has been in process of erection for several weeks, is now ready for occupancy. The Atlanta Constitution says: "The house is a building complete in its expression of beauty and comfort, the same attention being given to the details of harmonious and artistic equipment that characterizes all the hostess houses that have been and are still being erected at nearly every cantonment in the country, and is designed along the same lines of the hostess houses for white soldiers." The structure was provided through the efforts of the national war work council of the Y. W. C. A., the headquarters of which is in New York City. This fills a long felt want, as there was great need for the Colored soldiers at Camp Gordon to have a suitable place where they might meet their relatives and friends who had come from a distance to visit them.

Atlanta, Ga., Sept. 27.—The state supreme court today handed down a decision restraining for all time the Order of Negro Shriners from using the name Shriners or in any way identifying itself with Shrine insignia or regalia. The decision was against an organization formed immediately after the Shriners' convention here in 1914.
