With "Conservation" as our slogan we have built the New La France Shoe.

A shoe so perfect in its fit and finish, so charming in its dainty sturdiness that it is a delight to wear.

A real and lasting pleasure, too, for La France shoes are long-lived.

Let us introduce you to a pair of the New La France Shoes today.

MT. MORIAH BAPTIST CHURCH
28th and Seward Sts.
Rev. M. H. Wilkinson, Pastor.

Our church has gone through the month of November with a splendid record, written and unwritten.

We were sorry to lose about three members by letter, yet we were glad to receive two by letters and twelve by grace experience.

Entertainments given by Miss A. Alexander, 1923 North 27th street, and Mrs. J. W. Walker, 2524 Patrick avenue, last Saturday were very well attended.

Rev. Geo. W. Dudley preached a very able sermon to us at night. He was delighted that we raised \$1,500 the month, for other purposes, \$150.

The pastor attended a Board meeting of the Baptist denomination of the state, at Lincoln, Tuesday.

We take this opportunity in thanking all our members and friends who have come to our assistance in regard to our rally.

At the Lord Lister Hospital: Miss O. Parker. At the St. Joseph's: Mrs. Mary Williams.

Covenant next: Sunday morning; sermon, fellowship and communion at night.

ST. JOHN'S A. M. E. NEWS
The Rev. W. C. Williams, Pastor

Sunday services were largely attended, the morning sermon being preached by Presiding Elder Terrell. The sacramental sermon by Rev. Rodney of Council Bluffs. At night a very interesting historical program was rendered concerning the origin of St. John. As that was the last service to be held in that building. The collection for the day was \$120.75.

Tuesday night class was the first service to be held in the new church.

Mrs. Jones is very ill at 2813 Cum- ming street; also Mrs. Louise Johnson at the Swedish Mission hospital.

Every one is welcome to our new St. John's on 24th and Grant.

SOUTHERN JUDGE SAYS
COLORED MAN'S WORD
AS GOOD AS WHITE'S

Jackson, Miss., Nov. 27.—"The jury believed the Negro and disbelieved the white man," said presiding Justice Cook from the supreme court bench today, "and we find no cause for reversal." That remark was brought out on a resume of the testimony in the case of R. J. Jennings, Sr., vs. State, the appellant having been convicted in the Tallahatchie County Court on the charge of pointing a pistol at a crowd of Negroes who were attending a Colored church wedding.

THE JAZZ BAND WAS THERE

London Is Entertained by Negro Soldiers on Furlough.

London, Nov. 16 (delayed).—American soldiers stationed here or visiting the city on leave of absence, paraded this afternoon behind the typical Negro soldier jazz band of forty pieces. The parade halted in front of the Buckingham Palace, where it disbanded. The band then proceeded to the parade grounds where it gave a concert lasting an hour. Thousands of persons listened to the music. Tonight the band played for a dance under British military control.

TO TEACH YANKS ABROAD?

Government to Pay Their European College Expenses, Says Henry Gedeon

St. Louis, Mo., Nov. 27.—American soldiers in Europe can have the option of returning to this country when demobilized or of matriculating at universities in England and France at the government's expense, and already 350,000 have made application to enter the universities, Henry J. Gedeon said in an address before members of the National League of Compulsory Education, in annual convention here. Mr. Gedeon is chief of the Philadelphia branch of the league.

THE ORDER OF THE GOLD STAR

In memory of the boys who have given up their lives to the end that human liberty might be preserved, Rev. T. J. Mackay, of Omaha, has founded the Order of the Golden Star. It is to become a national organization and every relative who has a golden star among the blue, is entitled to membership. The order is open to everyone, no matter their creed or color. Fortunately for us, we know of but one Colored family here who has a golden star and we hope that it identifies itself with the new order. It is a beautiful way to memorialize our soldier boys and the day may come when to be a member will be a proud distinction and an honorable amenity.

FIRE SWEEPS A NEGRO CAMP

All Buildings and Troop Supplies Destroyed at Yuma, Ariz.

Yuma, Ariz., Nov. 27.—Fire fanned by a high wind swept the camp occupied by two companies of the 25th United States infantry in Yuma late today, despoiling every building with its contents, except the staff headquarters. In addition to being left shelterless, the 320 Negro troops at the camp lost all their arms, equipment, bedding, extra clothing and personal effects, including a large number of Liberty Bonds.

SEGREGATION IS UNCONSTITUTIONAL

Oklahoma City, Okla.—The Oklahoma county council of defense has gone on record as approving the repeal of the race segregation ordinance which is claimed to be unconstitutional. The commissioners have invited a delegation from the council. Colored men, representatives of the real estate exchange and others to attend a meeting to discuss the action taken by the council.

ELECTED CORNER

Parsons, Kans.—One of the gratifying results of the recent election in Kansas was the election of Percy Robinson of this place, as corner of La-bette county. Mr. Robinson received a total vote of 7,507 and was elected by a majority of 4,427, leading the ticket in the county.

WHAT IT COSTS TO FREE THE WORLD OF AUTOCRACY

Two Hundred Billions Burnt Up During Greatest War.

Washington, D. C.—The direct cost of the war for all belligerent nations to last May 1 was reported at about \$175,000,000,000 by the Federal Reserve board bulletin, issued today, and it is estimated that the cost will amount to nearly \$200,000,000,000 before the end of this year.

For purely military and naval purposes it is estimated that all belligerents had spent about \$132,000,000,000 to May 1. The remainder represented interest on debt, and other indirect war expenses.
