CELEBRATE 25TH ANNIVERSARY
Mr. and Mrs. Robert F. Preyer cele-
brated the twenty-fifth anniversary of
their wedding on April 19, 1919. Two
sons, Henry and Isaiah, arrived from
Pensacola, Fla., on the 17th to join
their parents in the celebration.

Mr. Preyer has been in Omaha since
August, 1917, coming from Pensa-
cola, through the advice and direc-
tion of George Wells Parker, whom
he had never seen. Mr. Parker gave
financial assistance and helped Mr.
Preyer in many ways and for this
reason feels that it is not out of
place to mention the facts. Since com-
ing to Omaha Mr. Preyer has pur-
chased a home through the Western
Real Estate company. He is 57 years
of age, likes Omaha and will remain
here permanently. His message to
his brothers in the south is to come
north and grow up with the country.

**DESDUNES' BAND SCORES
ANOTHER VICTORY**

Desdunes' band has just scored an-
other great victory in recognition of
its merited popularity. It has been
selected to accompany the trade ex-
cursion of the Chamber of Commerce,
which will cover the week of May 18-
25, and embrace a trade tour as far
west as Montana. Other bands were
competitors for this coveted honor, but
the plum fell to Dan's boys. Twenty-
five men will go. They have a special
car and there'll be music that is music
all along the line.

**COLORED MEN WANTED
FOR UNITED STATES ARMY**
May Enlist for the Famous Ninth and
Tenth Cavalry or for the Twenty-
fourth and Twenty-fifth Infantry—
Minor Ventures Guess That Ulti-
mately Others Arms of the Service
Will Be Opened to Our Young Men.

Uncle Samuel is calling for 50,000
men physically qualified, between the
ages of 18 and 41 to enlist for the
army. The two arms of the service
at present open to Colored men are
the cavalry and infantry. The Mon-
itor hazards the guess, because this
country of ours must eventually get
away from the policy of restricting
equal opportunities for service, mili-
tary or other to any class of her citi-
zens, that before long other branches
of the service will also be open to
our young men. But, for the present
orders have gone forth to enlist
Colored men for the two above named
branches. Men who have had previous
service in the army, navy or marine
corps, may enlist for one or three
years. All others enlist for three
years. Men enlisting for three years
will have the opportunity of going at
once to Panama, Hawaiian Islands,
Philippines or China. Here is a good
opportunity for young Colored men.
The opportunity for enlistment will
not last long. All who are interested
may secure full information at the
recruiting station at the U. S. Army
Building, Fifteenth and Dodge. Major
Frith is the recruiting officer. Sergt.
Tramel is in charge of the Colored en-
listments and will be pleased to give
any information desired.

For anything in the drug line call
us up. The People's Drug store,
Douglas 1446.
