#### LA GRANGE, TEXAS H. L. Vincent, Agent.

The summer normal located here has passed its fourth week. The enrollment has reached 90, which is beyond our expectation. These teachers hail from many sections of the state. The enrollment is the highest in the history of Fayette county normals. The teachers attending are among the most studious and best disciplined the writer has ever met. The instructors are faithful and among the most progressive of the state. The hospitable citizens here are leaving nothing undone which would make for the happiness and the entertainment of the visitors. Hard study on the part of applicants, well defined presentation on the part of instructors, splendid lectures and high class entertainments make La Grange's normals worth while.
