## PROTECT YOURSELVES AGAINST CHEATING

Inspector of Weights and Measures Warns Public Against Short Measures—New City Ordinances Require Sale by Weight and Not by Basket.

To the coal consumers of the city of Omaha, especially those who buy coal in small quantities: I desire to call your attention to the fact that the law compels coal dealers and peddlers to sell their commodities by weight and not by the basket or measure, as heretofore. Eighty (80) pounds of coal is one (1) bushel; sixty (60) pounds of potatoes, one (1) bushel. You can buy any fraction of a bushel of either commodity, but it must be by weight and not by basket, as they may not hold the required number of pounds. You can protect yourselves by watching this matter and greatly assist this office by reporting any refusal to sell by weight.

Respectfully yours,  
JNO. W. LONG, Inspector.

## CHARLES JOINER FOUND GUILTY OF MANSLAUGHTER

Charles Joiner, who deliberately shot down in cold blood John Walker on North Twenty-fourth street last August, was found guilty of manslaughter in Judge Redick's court last week. Both men were colored. How in the face of the fact that Joiner wilfully hunted for Walker and finding him shot him on sight a plea of manslaughter should be allowed passes the understanding of The Monitor.

## SENTENCED FOR DOPE PEDDLING

Jack Brown was sentenced to six months in the county jail, sentence to date from August 27, the date of his arrest; and Sid Allen to a year and a day in the penitentiary at Leavenworth, in the federal court Saturday, for peddling dope. This was Brown's first offense and Allen's third.

For Monitor office call Doug. 3224.

## COLUMBIA HALL BEAUTIFUL AND WELL EQUIPPED

Do you know that the colored people of this city have as commodious, well-equipped and beautiful modern hall as heart could desire for dances, entertainments and social gatherings? Well, we have. It is the Columbia hall on Lake street near Twenty-fourth. It is a beautiful building. A wide entrance to the large downstairs hall, with a seating capacity of 500, and a dancing floor unsurpassed by any in the city, is flanked on either side by two store buildings in one of which refreshments and confections are sold and in the other is the up-to-date photograph studio of Mr. Williams. On the top floor are two small halls, now occupied by the War Camp Community Service. Columbia hall was built by a company of which Mr. Ben Handler is president, who saw the need of just such a place for our people. Mr. J. W. Robertson, a courteous, deserving and wide-awake young business man of our race has leased Columbia hall. It should be used to the limit by our people.
