

GUIDING PRINCIPLES OF OMAHA REPUBLICAN CLUB

The Greater Omaha Republican club with a strong corps of well selected officers is a political organization of two years' existence established for the purpose of promulgating the tenets of republicanism with an organized activity comprehensive enough to include all persons interested in civic and political affairs throughout the city.

The club is nominally and primarily a partisan entity of the political faith known as "republican," but beyond and above partisanship it purposes to hold to principles for which it shall exert supreme efforts to maintain and exalt, trusting, however, not inconsistent with its hopes and confidence, that within the scope of the purposes of the candidates and the platforms of the party of its choice and name shall be known, expressed or understood this organization's principles, cardinal among which shall be an equitable distribution of political and civic preferment among the classes of political suffrage.

We hope that the women will avail themselves of this opportunity and attend the regular meetings and join the club.

W. H. ROBINSON, Secretary.

MRS. SILAS JOHNSON INJURED BY AUTO TRUCK

As Mrs. Silas Johnson, wife of the well-known Lake street undertaker, was about to board a street car at Twenty-fourth and Patrick avenue, Thursday morning she was struck by an auto truck which skidded and was knocked down, suffering internal injuries and the loss of two front teeth. She was taken to her home where she received medical attention. She is still confined to her bed from her injuries. At the time of the accident Mrs. Johnson was standing on the sidewalk. The truck belonged to the Havens Coal Co. Mrs. T. S. Phillips was with her at the time.

WELL KNOWN RAILWAY MAIL CLERK RESIGNS

Raymond J. Knox, the well known railway mail clerk who has been running between Kansas City, his home town, and Omaha for the last fifteen years, has tendered his resignation to take effect May 1. Mr. Knox is rated as one of the most proficient men in the service, and in a very complimentary letter his clerk in charge regrets his resignation. Because of his mother's health the family expects to remove to Los Angeles, Cal., the latter part of May. The Knox family will leave a large circle of friends in Kansas City and "Raymond J." adds to that number a large group of Omaha friends.

CHANGING PHYSICIANS FAVORABLE TO PATIENT

Mrs. Eliza Lee of 1217 Pacific street, who was so dangerously ill for nearly three months and her recovery considered quite doubtful, is able to be up and around the house and is slowly but steadily improving. A few weeks ago it was decided to change physicians, Mrs. Lee having been up to that time under the care of a well known white physician, and Dr. J. Boston Hill was called in. Mrs. Lee's steady improvement under Dr. Hill's skillful treatment speaks well for his ability.

JUDGE APPOINTS DEFENSE FOR NEGRO GRACE

The following news item is translated from the Spanish paper, La Prensa of San Antonio, Tex., issue of March 4, by W. G. Oglesby:

The judge of the Thirty-seventh district, Mr. W. E. Anderson, appointed yesterday (Wednesday), W. C. Linden, one of the old lawyers of the district, for the defense of the Negro, George McKinley Grace, who was accused of an assault perpetrated upon a white woman. The case goes to the jury Tuesday, the 8th inst. Mr. Linden accepts the decision that the court had the authority to appoint a defender for a person who is accused of crime, when that person is unable to acquire one for himself. He knew that Grace could not obtain a defense, notwithstanding his father had interviewed many lawyers for the defense of his son.

CHARLES UNITT FILES FOR COUNTY COMMISSIONER

Charles Unitt, or "Charley," as his host of friends call him, has filed for renomination on the republican ticket, as county commissioner from the Fifth district. True, Charley Unitt hasn't had much republican company among the commissioners, but he has tried to do his best, under the circumstances, on the job. He will appreciate your vote at the primaries, April 20.

THE MONITOR'S PRESS DAY.

THE Monitor goes to press Wednesday of each week at 2 o'clock in the afternoon. To insure publication in the current week's issue news items and articles must reach our office by Tuesday night. One form, that is to say, one chase, the iron frame in which one page of the type is "locked up" to go on the press is held open for emergency advertisements, the copy for which cannot be obtained before Wednesday morning, until noon Wednesday. Now and then we can get late news on that page, but ordinarily not. Copy, therefore, that reaches our office Wednesday later than 10 o'clock in the morning stands a slim chance of getting in that week's issue. Frequently copy reaches us Wednesday afternoon or Thursday and some irate individual calls up to know "Why isn't my item in this week's issue?" Too late, dear friends, that's all. Get your news in on time.

The KITCHEN CABINET

SEASONABLE DISHES.

Think as well as you can of everyone who is trying in these hard times to do his duty—to be brave, cheerful and useful. Let us not be among those "who whet their tongues like a sword and bend their bows to shoot their arrows, even bitter words." Kindness helps where criticism cannot.

A good baked apple is a welcome dish at any meal. The manner of serving it may be varied so that it never becomes commonplace.

Apples Stuffed With Nuts and Raisins.—Core five apples, being sure to remove all of the core. Take off the paring from half the apple. Put half a cupful of sugar and half a cupful of water into a saucepan; into this set the apples to cook, turning often until each apple is tender. Set them carefully into a baking pan. Fill the centers with one-third of a cupful each of raisins and nuts chopped fine; add a little granulated sugar, and bake in a moderate oven until well glazed. Serve with the syrup poured around them.

Vegetable Chowder.—Take two thin slices of fat salt pork; cut into dice and fry slowly. In a saucepan cover a half-dozen sliced potatoes with boiling, salted water, and when nearly done add the pork and one can of corn, the water in which the potatoes were cooked and milk enough to make the desired amount of chowder. If it seems too thin, thicken slightly with crumbled crackers. Serve hot with crackers.

Buttermilk Bread.—Take one and one-fourth pints of fresh sweet buttermilk, one tablespoonful of sugar, two teaspoonfuls of salt, one-half of a compressed yeast cake, with flour enough to make a stiff batter. Scald half a pint of sifted flour with the buttermilk, stir well and add sugar and salt. Dissolve the yeast in a little tepid water, and when the batter is luke-warm add the yeast. Beat well and set to rise in a warm place overnight. In the morning it should be very light and covered with bubbles of air, which break when the cover is removed. To the batter add six pints of flour, one teaspoonful of salt, a tablespoonful of fat and half a teaspoonful of soda; add water to form a smooth, stiff dough. Knead fifteen minutes, then set to rise in a temperature of 70 degrees. Cover closely. When light mold into loaves. Set to rise again, and bake as carefully as if it were cake.
