

RACE PRESS ON WOOD.

The Terre Haute (Ind.) New Emancipator has the following to say regarding the Wood candidacy: The Emancipator indorses the nomination of General Wood for president of the United States on the republican ticket. General Wood is the logical candidate for the Negro. His public utterances against lynchings and mob law, proved that he is a friend not only to the Negro but to every American. America needs 100 per cent Americans like Wood as leaders to make it a safe place for all Americans, black and white, to live in.

Roosevelt is not dead for he lives today, speaks today and is rendering service to humanity today in the person of General Leonard Wood. Ten million Negroes in the United States ought to vote solid for Wood. There is not a thinking voter in this county who is not going to vote for him. Soldiers and civilians alike are for the man who believes in a square deal and that is Wood.

The Louisville (Ky.) News, now regarded one of the most forceful race newspapers in the "Blue Grass" country has this to say about General Wood.

The colored people in all southern states, thousands of whom saw service in the Spanish-American war under General Leonard Wood, are looking with appealing eyes to their brethren in the north, especially in Ohio, Illinois and Michigan, to go to their preferential primaries and cast their votes for this great soldier-statesman, the friend and companion of the immortal Roosevelt, both of whom loved and fought for justice to all mankind, regardless of sex, color or condition.

The fighting Atlanta (Ga.) Independent comes out equally strong in its endorsement of General Wood.

General Leonard Wood, the leading candidate for the republican nomination is a representative American of the highest ideals of government and worthy of any honor in the gift of the American people."

"I am for Leonard Wood for president," writes Charles Andrews of New York City, "because he is a republican who believes in the American citizens, regardless of color or race."

"With Wood in the White house, the law of the land will have some

chance for fair and reasonable expressions. That is why I am for the general for president," declared George H. Walker, secretary of the Chicago Wood league in a recent speech.

MAJOR LYNCH TELLS WHY AMERICANS ARE FOR WOOD

Chicago, Ill., April 14.—"One of the gratifying aspects of this unwavering advocacy of Americanism is that it puts at rest the oft repeated statement that the race wants social privilege rather than civic rights. "This is not the case in any sense," declared Major John R. Lynch in a recent speech delivered to a large mixed audience in this city. "What we want," shouted this veteran of many hard fought campaigns, "is a fair chance to become American citizens in fact as well as in statement. Leonard Wood represents the operation of that principle and that makes him our first candidate for president."

ROCKDALE, TEXAS.

There were services at all the churches Easter Sunday.

Rev. A. B. Green and Rev. A. B. Lucas held services at their churches at 4 o'clock a. m. Easter Sunday. Both services were well attended. They preached on the "Resurrection of Christ." At 11 o'clock Rev. A. A. Lucas preached from the theme, "An Awful End to a Promising Life."

The Easter program was splendid at all the churches.

Brother H. H. Davis conducted the B. Y. P. U. Sunday evening. The collection for the evening was \$61.20.

Brother B. Y. Acock is on the mend after a long illness. He is greatly missed in the church, and we pray for his speedy recovery.
