

COUNCIL BLUFFS, IOWA

The Community club met at the home of Mrs. Stewart, director, and subjects of important nature discussed. Attendance was good. A band was organized.

A carnival, under auspices of Central Labor union, is in full swing.

The Council Bluffs branch of the N. A. A. C. P. needs a stimulant. We can offer no acceptable excuse for not being present last Friday evening at the Tabernacle Baptist church to receive and listen to Mrs. Moas, the association's representative who failed to speak on account of the lack of an audience. There is an abundance of work for the organization in this place and we cannot afford to be negligent in our support of it. Come on, let's wake up and be real members.

Two new members were added to the Community Service club which is progressing nicely. Mrs. Bass has returned from St. Louis, Mo. She is one of the musical committee and her presence is welcomed back among us.

Mr. William Stewart has returned from a four weeks' visit to Chicago and has entered high school.

Mr. and Mrs. P. J. Richardson of 808 Fourteenth avenue have returned from their visit with their daughter in Minneapolis. They were gone several weeks.

Mr. and Mrs. John Brisko have returned from Denver.

The Rev. J. P. Jackson returned from the 43d annual session and reports a great meeting. He was on the program. The next session will be held here.

Mr. A. C. Stewart has returned from a short visit with his brother, the Rev. Mr. Stewart, pastor of the Chapel A. M. E. church of Chicago.

Mrs. Crumpton of 623 Twelfth avenue entertained at a very enjoyable lawn social Friday evening.

Mr. and Mrs. Harmon of Kansas City are visiting Mrs. Hattie Turner, 1520 West Broadway. Mrs. Turner is a sister of Mrs. Harmon.

Mrs. R. Coleman of Pontiac, Ill., is visiting Rev. and Mrs. J. P. Jackson, 1531 Ave. A. She is having a lovely visit and is making many friends. She has been entertained by Mesdames Gladys McGregor, M. Turner and J. P. Jackson. Mrs. Coleman will leave for her home Saturday.

SOUTH SIDE

Mrs. Beulah Johnson has returned from Lexington, Ky., where she was summoned on the death of her sister, Mrs. Josephine Thomas.

Rev. Mr. Taggart motored a party of four to Des Moines last week. They had a very pleasant trip.

Mr. William Dais is again in Omaha after a few weeks' stay in Polk, Neb.

The South Siders regret very much that Dr. J. T. Aldrich, their newly established physician, has left the city to assume new duties in St. Joseph, Mo.

Mrs. Rosa Sneed returned Friday from Jones, Okla., where she has been visiting her father.

Wedding bells chimed for Miss Melvin Gibson and Mr. Robert Taylor, who were quietly married Thursday evening.

Mrs. Georgia Taggart has returned from an extensive visit with relatives in the east.

Mrs. Josephine Richards, her daughter Dorothy, and niece, Edna Harris, left Thursday for New Orleans, La., after a month's visit with

Mrs. Richards' daughter, Mrs. Frankie Nelson, 2516 P street.

LINCOLN, NEB.

The Omaha-Western University club gave an interesting program at Dean Vaughan's church Tuesday, August 31. The race people turned out in huge masses to witness what was termed by critics as one of the most interesting programs that has been presented in Lincoln for some time. On the program were solos, duets, readings, orations, and the tenth scene of Shakespeare's Julius Caesar. In turn the reception committee, headed by Mrs. Malone, lavishly entertained the visitors. They were motored to such interesting places as the state fair grounds, the state capitol and the University of Nebraska, after which they took the train to Omaha.

Jacob C. Carey, six months a substitute letter carrier in post office department, has been recommended to the Eighth civil service district commission for regular appointment. He takes the place made vacant by R. W. Freeman, a veteran of 33 years. Mr. Carey is a graduate of Douglas high school at Lawton, Okla., and spent three years at Western university, Kansas City. He came well equipped for the service.

Hawaii's Pineapple Output.
In the Hawaiian islands the pineapple industry has, during the last few years, experienced considerable development, causing it to rank second to that of sugar. At present there are about 7,000 acres planted with pineapples.

Undeterred by Physical Ills.
Elizabeth Barrett, before she married Browning, spent long years on her couch. At the age of fifteen she met with an injury to her spine, which kept her in a recumbent position for several years, and from the effects of which she never recovered. It was during these years that she wrote those sonnets which are her greatest claim to immortality.

America Uses 700 Billion Matches.
Few realize the immense labor, capital and material used to produce matches. Thousands of men are employed, millions of dollars invested and vast forests cut down to meet the demand in America of 700 billion matches a year. One plant alone on the Pacific coast covers 240 acres and uses two hundred thousand feet of sugar pine and yellow pine logs in a day. The odds and ends will not do. A constant search is in progress for large forests of perfect trees to meet the future needs.—F. H. Cheley in "Stories for Talks to Boys."

BEAUTIFUL HAIR AT EVERY AGE

"NELO" HAIR REQUISITE assures it. Rob the hair of its lustre and you rob it of half its beauty, its suppleness and its strength. When the natural oil which protects it is deficient, it must be supplemented, otherwise the hair will become dull, dry and brittle; it will split at the ends and prematurely fall out.
