JEWISH PEOPLE FIGHTING ANTI-SEMITIC PROPAGANDA

This Group of Citizens Suffering From Campaign of Slander and Misrepresentation Appeal to Justice of American People.

(By the Associated Negro Press)

NEW YORK, Dec. 9.—The Jewish people of America have at last spoken in no uncertain terms against the propaganda that has been used against them for a number of months by Henry Ford and others who seek, as they claim, to misrepresent their attitude before the American people. The document is signed by the leading Jewish people, of all activities, in every section of the country.

In closing the statement the following appeal is made:

"We have an abiding confidence in the spirit of justice and fairness that permeates the true American and we are satisfied that our fellow citizens will not permit the campaign of slander and libel that has been launched against us to go unreproved. There is enough for all of us to do in the great task of building up our common country and of developing the principles on which it was founded. Let not hatred and misunderstanding arise where peace and harmony, unity and brotherliness are required to perpetuate all that America represents and to enable all men to know that within her wide boundaries there is no room for injustice and intolerance."

This public address was prepared as a result of a conference of leading Jewish organizations called by the American Jewish committee to discuss the widespread campaign of secret and public anti-Jewish propaganda in the United States.

The American Jewish committee was incorporated in 1911 in New York state "to prevent the infringement of the civil and religious rights of Jews in all parts of the world, to secure for Jews equality of economic, social and educational opportunity, to alleviate the consequences of persecution, and to afford relief from calamities affecting Jews whenever they may occur."
