AMONG THE SCHOOLS AND COLLEGES

WILBERFORCE UNIVERSITY
(By the Associated Negro Press)
COLUMBUS, O., Dec. 16.—The Delta Sigma Theta sorority will hold its annual convention at Wilberforce University, Wilberforce, O., December 28 to 30, inclusive. Enthusiastic and intense interest among the members and friends mark this approaching event.

The growth of this organization of Negro college women seems almost incredible. In seven short years this fraternity has created charters at nine representative American colleges, a chapter of graduate members at Howard University, and a grand chapter of the sorority. Its members now are counted by the scores and include many prominent and influential women among the honorary members. This sorority has been a great factor in the college life of Negro girls and portends to become an even greater influence and power in their lives at college and after the good old college days.

The chapter list reads as follows: Alpha chapter, Howard University; Beta chapter, Wilberforce university; Gamma chapter, University of Pennsylvania; Delta chapter, University of Iowa; Epsilon chapter, Ohio State University; Zeta chapter, University of Cincinnati; Eta chapter, University of Syracuse, and Theta chapter, Cornell University.

MOREHOUSE COLLEGE
(By the Associated Negro Press)

ATLANTA, Ga., Dec. 16.—Among the strong "grid" teams of the 1920 football season, Morehouse College has figured conspicuously. Fighting from beginning to end of every one of its six scheduled games, the plucky little Atlanta college undisputedly won the championship of the South and proved itself to be stronger than most of the colored colleges of the east.

Paine College of Augusta, Ga., was not able to withstand the aerial attack of the Morehouse Tigers and fell a victim to the count of 21-0. The Atlanta aggregation, however, held the Atlantans to a scoreless tie in the first half.

Morris Brown College was unable to do more than prevent Morehouse from piling up a score larger than 21-0.

For the third game of the season, the much heralded Fisk eleven journeyed to Atlanta and, after a valiantly fought battle, went home with the short end of a 24-13 score. The Tennesseans could not withstand the withering, wearing attack of the Morehouse forwards.

Virginia Union University of Richmond, Va., was the only team capable of registering a victory over the Tigers—much scared after their battle with Fisk—the captain, both ends and a halfback nursing injuries on the

sidelines. The Richmond team, however, hung a 7-0 defeat on Morehouse after three scoreless periods.

Morehouse was at least four touchdowns better than her arch rivals, Atlanta University. The score, 24-14, does not show how decisively Morehouse proved herself victor.

The Thanksgiving classic played with Knoxville College at Knoxville, Tenn., did little other than crown a series of Morehouse victories. Even on their own field, the Tennesseans were unable to check the avalanche of scores that snowed them under to the tune of 28-0 and sent the Tigers back to Atlanta with the prize football in tow.

The individual skill of several of the Morehouse players contributed no mean amount to the superior brand of football displayed by the Tiger eleven. At right end, Caesar Gayles was a tower of strength both in cutting off dangerous end runs of the opponents and in handling his own teammates' passes. At center, Harris was almost impassable. He clearly outplayed all his opponents with his uncanny ability to solve the opponents' plays and to break up forward passes. C. Kelley at quarter, Perkins at right half, Lipscom at guard and Pickett at left end also deserve mention.

HOWARD UNIVERSITY
(By the Associated Negro Press)

WASHINGTON, Dec. 16.—Coach Morrison of Howard University is perfecting plans for another championship eleven next season. None of this year's eleven will be lost by graduation. Emmason (Duke) Fuller was elected captain for 1921.

Those presented with the varsity H and who will return to the squad for next season are: George (Fido) Williams, left end; Duke Fuller, left tackle; Dennis Smith, guard; Edward Hurt, end; Albert Brook, tackle; Lorenzo arter, quarterback; Charles Brannon, Doneghy and Paye, backfield men of the first eleven; Long, Jackson, Baylor, Holton, Crawford, Camper, Gardianer, linemen; Keane, Perry, Contee, Downing, backfield men, all of the second team; Sewell, Johnson, Woods, Haines, Melton, F. Williams, linemen; Hardwick and Molson, backfield men of the third team, and Richardson, Fitzgerald, Bledsoe, Parnell, Houser and Blockmen, substitutes.

With the season just closed proving that the blue and white squad had one of the most formidable teams in its history, the students and alumni of the university are looking forward to another championship team next season, especially with the material that is available. This year has been the greatest in the history of Howard both in number of games won and financially. Much credit is due Hon. Emmett J. Scott, secretary-treasurer of the institution, who is responsible for America's greatest society event.

PROMINENT PRIEST GOES

TO EASTERN PARISH

(By the Associated Negro Press)
LOUISVILLE, Ky., Dec. 16.—Rev. LeRoy Ferguson, for a number of years rector of the Church of Our Merciful Savior, has accepted a call to the Church of St. Cyprion in Boston. This is a decidedly upward step for Rector Ferguson, because St. Cyprion is one of the largest Episcopalian churches among our people.

Rector Ferguson came to Louisville fifteen or sixteen years ago. He has always stood for progress. The new church edifice and parish house at Eleventh and Walnut streets are monuments to his energy and ability to do things. Rector Ferguson also did great work in the late war and served with the Y. M. C. A. forces in France.

DOTS ON MAP TELL

OF GEORGIA LYNCHINGS

DETROIT, Mich., Dec. 16.—A map of Georgia, upon which appeared more than 500 black dots, each dot marking the place of a lynching during the past 30 years, was reproduced by attorneys who represented Tom Ray wanted in Georgia for shooting a planter.

Ray, who was arrested here, is fighting extradition, alleging that if he were returned to Georgia he would be lynched. The map was produced in the extradition hearing. Ray declared he shot the white planter after the latter had attempted to take his life. The feeling against him is so intense, he asserted, that a lynching would follow his return.

It has been demonstrated that seaweed, after the salt has been extracted by a specific process, forms excellent food for horses and that the animals evidently enjoy it.

Crazy Surgeon Kills Woman Under Knife

Berlin.—The remarkable case of a doctor going insane during an operation is reported from Schwerin. Councillor Surgeon Gebhard, while performing a minor operation on a woman, suddenly was seized with the hallucination he was in a clinic dissecting a cadaver. Doctor Gebhard accordingly cut up the woman, who died on the table.

On another occasion he cut off a soldier's arm and then failed to take measures to prevent the soldier from bleeding to death.

Doctor Gebhard now is in a Berlin sanatorium.

REBUILD THEIR RAZED HOME

French Family of 16 Capture Prize of 15,000 Francs Offered by Norman Davis.

Lens, France.—The Duborepere family of the little village of Meteren, near here, has been awarded the prize of 15,000 francs, given by Norman Davis of Washington through Mme. Jusserand, wife of the French ambassador, for the family which should rebuild its destroyed house in the devastated region without the assistance of carpenters, masons and other expert building workers.

The material was furnished by the David fund through the Secours d'Urgence and in three months the house was finished.

The Duborepere family consists of father, mother and 16 children, all living.

Experts say the house is worth over 50,000 francs. The material cost 15,000.

Dog Fanciers in Trouble.

Hopkinsville, Ky.—When 1,400 citizens appear to answer to indictments, that many having been returned by the grand jury sitting in Christian county, it will be somewhat of a comic supplement court. The record number of indictments resulted from failure of citizens to pay poll tax on their dogs
