SIoux CITY, IOWA

Rev. J. A. Brodman, pastor of the A. M. E. church, Kansas City, Kans., and grand master of the York Rite Masons of the Jurisdiction of Missouri and Kansas, paid an official visit to Cedar Hill lodge No. 80 on Tuesday, December 14. From here he left to visit lodges in South Dakota.

The Willing Workers' club, Mrs. E. J. Curtis, president, met at the home of the secretary, Mrs. Lizzie Tack, on Twenty-first street, Tuesday afternoon last.

Mrs. Mahalia Wright left for Baldwin, Kans., on the 21st to visit relatives during the holidays.

Mrs. C. F. Williams, 704 West Seventh street, is still confined to her bed.

Mr. Maxey, after a ten-day visit with his family on West Sixth street, has returned to the Southwest.

Attorney J. H. Redmond and wife have moved from South Sioux City, Neb., to Sioux City.

The funeral services of the Lovelace brothers were held from Haddock chapel last Monday, Rev. A. Smith officiating. The services were under the auspices of the York Rite Masons and the Knights of Pythias. Owing to the tragic circumstances surrounding their death the church could not hold the crowd.

Mr. Higgins spent a few days in Rock Rapids, Ia., last week on business.

Mr. and Mrs. F. B. Brown of 707 West Seventh street have returned after a six weeks' stay in Gainesville, Fla., where they attended the funeral of Mrs. Maud A. Nelson, mother of Mrs. Brown. Miss Eula Poroml of Gainesville accompanied them back and will make Sioux City her home.

Mrs. E. J. Curtis entertains the Willing Workers at an informal reception on Christmas day from 2 to 5 p. m. at her home, 516 1/2 Cook street.

Mrs. Mahalia Wright presented the Malone A. M. E. church with a very handsome Bible on Sunday, December 19th.

The Church Aid donated \$37 to the trustees at their meeting Thursday.

A Merry Christmas and Happy New Year to all.

BURNED IN PECULIAR WAY

Gasoline Spilled on Road and Accidentally Lighted Causes Injuries.

Edward McPartland of 32 Park street, Stoneham, Pa., is at the Clinton hospital as the result of a peculiar accident on the Sterling road near Lancaster.

McPartland and four companions, all employed on road construction work near here, were returning in a truck from a dance at Clinton, and were going to their homes in Sterling when the truck overturned near Four Ponds.

In the back of the truck, which was traveling slowly at the time of the accident, was a large can of gasoline. It was thrown onto the highway, sprang a leak and the gasoline reached to where McPartland lay unconscious.

Test in Acoustics.

To test the acoustic properties of a hall, the lecturer proposed counting the number of seconds the clapping of the hands could be heard; if five or six seconds, the hall is unfit for public speaking, for which it must be reduced to two or three seconds, but for musical purposes a little longer may be allowed. Draping the hall is the best way to reduce the reverberation, belief in the efficacy of stretched wires being a mere relic of superstition.
