LINCOLN NEWS IN BRIEF

Rev. H. W. Botts was called to Plattsburg, Mo., last Tuesday, where he preached at the funeral of a former member of his church there.

Miss M. L. Parks left Sunday night for Fort Scott, Kans., to spend the holidays with her parents.

Mrs. Frank Williams leaves this week for Chicago, where she will wed Mr. H. H. White of that city. The friends of Mrs. Williams extend her hearty congratulations and may the balance of her days be happy, and also wishing her a Merry Christmas and a Happy New Year.

Mrs. John D. Bowen is reported as being quite sick at this time.

Attend the union services at Mt. Zion Baptist church Christmas morning at 11 o'clock.

The services at Mt. Zion Baptist church were nicely attended last Sunday, the pastor delivering his usual interesting sermons. The Sabbath school and B. Y. P. U. services were well attended and much interest displayed in the lessons.

The Sabbath school, under the direction of Mrs. L. B. Moore, will render a cantata on Christmas eve in connection with the Christmas tree and other socials.

The services on next Sunday will be especially interesting. The public is invited to come out as the members endeavor to make it pleasant for all who love life and want to enjoy the blessings of the Creator.

Mrs. C. R. Johnson, who has been visiting relatives in Kansas City, Mo., for some weeks, has recently returned home.

Miss Johnson of Scottsbluff, Neb., visited her father, C. R. Johnson, in this city.

Lebanon lodge No. 3, A. F. and A. M., will have a big initiation on the evening of December 28. Don't forget, Master Masons.

We wish you one and all a Merry Christmas and a Happy New Year.

REPRESENTATIVE OF KAFFIR CHEMICAL LABORATORIES VISITS LINCOLN

Mr. Fred C. Williams, publicity and sales manager of the Kaffir Chemical Laboratories of Omaha, was in the city Saturday and Sunday with the intention of explaining the object of the company, and why one should take shares in it. Mr. Williams met with several gentlemen Sunday afternoon. After explaining to them the organization, capitalization and products of the Kaffir Chemical Laboratories, they agreed that it is a fine project, and gave him their word that they would call a meeting of men in the near future and try to effect the sale of some shares of the stock of the company.

Mr. Williams was accompanied by Mr. W. Thurman. Messrs. Williams and Thurman returned to Omaha Sunday night.
