Foundation Upon Which the Grand United Order of Odd Fellows Stands Has Been Ever Since Time Was, and Will Be After This World is No More

(By M. L. Hunter, 2201 Grant St., Member of Mo. Valley Lodge No. 9915, G. U. O. of O. F.)

The great bow of promise which encircles the earth and brings all things to a common center for good has brought us to the eve of the close of 1920. We face the beginning of the new year with increased faith in the principles of our order and hope to continue without ceasing our fight for the good of all humanity, until there shall be restored on earth, peace, good will to all humanity. And we therefore resolve that we will take increased devotion to the principles of our grand old order, that the Christ

shall not have died for us in vain; but we as men and women will continue to have faith in the promise that God made to Abraham. God promised Abraham from thy seed all families of the earth should be blessed. The order teaches us that to be blessed we must first learn the lesson that our Father Christ Jesus taught his disciples, and is known as the Golden Rule, which reads: "Do unto others as you would that they should do unto you." To learn this lesson, we must also lean on the foundation of this grand old order, which are friendship, love and truth.

Friendship: The most precious of earthly possessions.

Love: The tie that binds, the force that links earth to Heaven.

Truth: The greatest force in mortal mind, the one virtue that overshadows and spreading out its wings, covers all the virtues.

The rulers of this earth did not apply the Golden Rule, and their actions caused the world war, which made more widows, more orphans, and caused the expenditure of more money than any other calamity known in the history of the world.

With the war ended so far as guns and ammunition is concerned the war for the rights and justice of the common people has begun. The nations of the earth are in a great crisis, unrest and distress are in every locality, and the burdens of the common people are increasing daily. The cause? In Israel's time three dominant elements ruled, viz., the king and his household, constituting the professional politicians; the princes, nobles and Pharisees, which embraced the wealthy, prominent and influential citizens; and the rabbis, scribes and priests, forming the clergy of that time. Those three elements formed a conspiracy against the common people. Jehovah warned them time and again and showed them his remedy whereby they could avoid a great punishment and be restored to his favor. They ignored the divine remedy and the result was their overthrow. The prophecy was fulfilled on Israel, and the same conspiracy against the common people is going on today at a rapid pace.

The Grand United Order of Odd Fellows teaches us that the same warning that was given Israel, is given to that class of people which is governing this earth or the inhabitants of this earth and the prophecy on Israel was fulfilled and it is sure to be fulfilled on the people of this earth, unless the divine remedy is heeded. Every sober-minded person should stop and consider and profit by the events of the past.

Some people have said that the Odd Fellows do not live up to the principles of their order. It is by no means an easy task to accomplish all the good in life without having them mingled with bad. Christ Jesus organized the church through his apostles, and from that time many have strayed from the straight and narrow path, few stepped out of line but in every corner of this

world there is always someone to preach the second coming of Christ Jesus.

From A. D. 3, the Grand United Order of Odd Fellows has been used as a vehicle to convey the message of our crucified Saviour to the men on the highways and reach and pull from the slums of this old sin-cursed world men and women bring them to the sacred altar in our temple and ask of them, Do you believe that Christ is? Then and there he must make a confession of his past wrongs, call upon the Ruler of the universe to assist him in ever keeping himself clean and spotless from the world. In the foundation of the grand old order is written a remedy and cure for the world's ills. The love for mankind which means practicing of the three principles of the order. Those principles are Friendship, Love and Truth. Then and not until then will we have faith in the commandment, Thou shall have none other Gods, before me.

Sometimes a dog will adopt another animal in the oddest fashion. There was a case where a female bob-tailed sheep dog made friends with an old hen which shared its kennel. When the animal had puppies the bird brooded over them and kept them warm during the mother's absence.
