NEBRASKA BRANCHES N.A.A.C.P. HOLD SESSION AT LINCOLN

On January 23, 1921, the branches of the National Association for the Advancement of Colored People of the state met at Lincoln to act upon resolutions passed by the several branches having for their purpose the promotion of the affairs of our general interest and progress.

The meeting was held in Zion Baptist church and was called to order at 2:45 p. m. by Mr. William Woods, president of the Lincoln branch.

After the rendition of a splendid but all too short program the body was

organized into a temporary organization. Henry W. Black, president of the Omaha branch was elected chairman and Miss Nina Scott, president of the Beatrice branch, was elected secretary.

Resolutions were read by Delegate John R. Lemma of Omaha. These were discussed by the members and adopted and referred to the legal redress committee with instructions to present them to the legislature at the earliest possible moment.

The spacious auditorium of the church was filled to overflowing with a very enthusiastic audience who listened attentively to the several addresses by the delegates. The delegates were royally entertained by the Lincoln branch.

Nine new members were secured for the branch following an impassioned appeal by Rev. James A. Harris of Omaha.

Address of welcome was by Mrs. A. M. Ferguson, secretary of the Lincoln branch; response by Mrs. J. Alice Stewart of the Omaha branch; vocal solo by Mr. Miller; vocal solo by Mr. John Jeltz.

It was the consensus of opinion that the branches of the state ought to meet at least once a year and discuss the problems that confront us and decide upon some concerted action.

Adjournment at 5:45 p. m.
