R. B. Howell, National Committeeman Munsey Bldg. Washington, D. C.

Am advised that you favor reduction of delegate representation, practically eliminating the Southern Negroes from Republican Party, and betraying our people to the Lily Whites of the south. Speaking for our race in Nebraska I urge you not to play into the hands of the Bourbon South by this action. The Republican Party will pay dearly for such betrayal. If you eliminate the Southern Negro, you will eliminate us of Nebraska and all the Northern States.
