**BLUE CIRCLE CLUB NEWS**

The dance given at Columbia Hall July 4th by The Blue Circle Club had an attendance far beyond expectation. There was a hundred or more young people at the afternoon dance which was under the supervision of Mr. Roy Jones. Mr. O. C. Winn, assisted by Mr. Roger Montgomery, who managed the floor.

There are very few if any dances that carried as many people as did the General Public Dance at night. Beside the home people there were many persons from Sioux City, Kansas City, Lincoln, and other smaller towns. Everybody was keyed up to the occasion. The special music furnished by "Turner's Select Orchestra" could be heard amid the roar of fireworks and the explosion of blank cartridges. In spite of the usual roughness and mischief done on this date there was not one unfortunate happening to reflect discredit upon the dance. This success, is in keeping with the reputation and standard that the club is daily striving to build.
