APPEAL

Tulsa's Colored People have not the earnest attention of the nation, because the associated press reports do not state in a manner, that will stimulate a desire to give relief, the cruel conditions that have and do exist. Official Tulsa and therefore Tulsa at large is NOT helping in proportion to the appalling need. People are without stoves, cooking utensils, quilts and bedding of all kinds—the merest necessities of existence—and ready money.

ALL THEY HAVE LEFT IS COURAGE TO FACE THE FUTURE.

Mr. James L. Fieser, Southwestern Division Manager of the Red Cross said: "Winter's approach worries the Red Cross." Unless Tulsa wishes to have a tent colony on its hands in the fall and face a more serious problem, it should speed up its reconstruction program. He sees a big job ahead here for Tulsans and that now the financial end of the undertaking is the most important feature. MONEY IS NEEDED FOR RELIEF AND NEEDED BADLY.

WE APPEAL TO YOU FOR HELP

This Rapid Age.
Man's business requires haste. The average business and professional man enters in a hurry and gets dyspepsia. He walks in a hurry and gets apoplexy. He talks in a hurry and gets the lie. He does business in a hurry and becomes a bankrupt. He marries in a hurry and forgets it in a hurry. He makes his will in a hurry and leaves a legu centest. He dies in a hurry and goes to the devil—and his tribe increases.—Echobuzz.

One Friend Didn't Bother Her.
Peggy used exceedingly bad English and was continually being corrected by her teacher, also her mother and aunt. One day after the usual "set-to" she heaved a sigh and, putting her arms around her pet dog, said: "Oh Spots, ain't I glad you don't know grammar!"
