

# IMPORTANT INFORMATION

ONLY by good service and tasteful surroundings in any business can we hope to attract and satisfy the customer. NO ONE appreciates this fact more fully than I. Neither can we hope to bring about this result without proper equipment and experienced workmanship. I have spent both money and years providing all these things, until now I have a shop that is not excelled by any and equalled by few. My business is equipped with every convenience a modern barber shop could have. The latest electrical appliances for hair cutting, shaving, massaging, shampooing and scalp treatment will be found here. I carry for use or sale every toilet article in the barber line including Bonaccia Facial Cream.

I desire to announce that I have recently acquired the capable services of Mr. F. D. Houston the well known and highly esteemed Tonsorial Artist who is now with my staff. He needs no introduction. He is capable, clean, and efficient and gratefully solicits your patronage. One visit will convince you.
