OUR TALLEST MAN

Jan Van Albert, 9 feet 5 inches tall, recently arrived in Chicago. Compare his size with little Lew Rose, who is only 6 feet himself. Van Albert cannot travel in a Pullman as the beds are too short. When he goes to a hotel, two beds are put together for him to sleep on.

Bull a Drinker.
Hood River, Ore.—A bull's over-indulgence in the contents of a mash barrel, according to stories of orchardists of the Underwood (Wash.) district, led to the discovery by officers of two stills near Stevenson.

The bull, attracting attention by his drunken stagger and belched manure, evidently was pleased with the effects of the moonshine makings. Officers followed him as he pursued an erratic course through the underbrush. The goal of the bovine toper was a barrel half full of mash. In a hidden cabin, about 100 yards away, was discovered a still.

Veteran Served Sentence of Man Who Saved His Life

Because his "buddy" saved his life in France, Harry W. Haley, known as general prisoner No. 22102, assumed his name, and is serving a six months' sentence in the United States disciplinary barracks, Fort Leavenworth, Kan., for desertion, alleged to have been committed by his friend.
