For Raw, Sore Throat

At the first sign of a raw, sore throat rub on a little Musterole, with your fingers.

It goes right to the spot with a gentle tingle, loosens congestion, draws out soreness and pain.

Musterole is a clean, white ointment made with oil of mustard. It has all the strength of the old-fashioned mustard plaster without the blister.

Nothing like Musterole for croupy children. Keep it handy for instant use. 35 and 65 cents in jars and tubes; hospital size, \$3.
