Omaha, Neb., June 1, 1922.

TO WHOM IT MAY CONCERN:

Six months ago I was struck with severe pain in the left side of head, and the pain ran from my head all over my body, then I was confined to my bed, and have been ever since, unable to even turn over. I had to be turned over by my aunt, my left arm became perfectly useless, unable to even work my fingers or raise my arm. I had a rope tied to the foot of my bed so I could pull myself up, and in order to remain up I had to be propped with a box or chair. One of my lady friends called my aunt and told her how much relief Mr. E. J. Varn had given her mother with the "7" OILS LINIMENT MASSAGES, so we sent for Mr. Varn and arranged for six "7" Oils Messages. After six massages, I am able to use my arm, can turn over alone, can get out of bed and into the chair alone, and can sit up all day. I can also walk. I have spent hundreds of dollars during the previous six months without any relief.

If you are suffering with PAIN and WANT relief, try "7" OILS LINIMENT MASSAGE.
