COUNCIL BLUFFS NEWS

Mrs. Charles F. Davis, Agent

Under the careful supervision of Rev. W. Majors, the Bethel A. M. E. Church is undergoing a vast improvement and enlargement. A vestibule is being constructed with entrance fronting Sixteenth street instead of on Avenue A as formerly. The main floor of the Auditorium will remain the same width but will be twelve feet longer, affording ample space for 100 more seats. On the right of the rostrum will be the pastor's study and on the left the Choir room. Cathedral windows are to replace the obsolete frosted glass windows and will add greatly to the appearance of the structure. These windows are being donated by the citizens and members of the church and the window will bear the name of the person who donates it. Every effort is being made to make the church as beautiful as possible.

Rev. J. P. Jackson is keeping the beautiful church which he erected in excellent condition. The church is shining with a new coat of paint and bespeaks of the welcoming extended to everyone by the cheerful little pastor who is always full of pep and willing to lend a helping hand. New drop lights have been installed which add to the beauty of the interior. Each fixture has one main bowl with three ornamental chandeliers attached to the rim of the bowl. These are the prettiest and most attractive fixtures in any of the colored churches of the city. Both this church and the Bethel A. M. E. bespeak of a prosperous and progressive community.

Miss Elizabeth Davis, daughter of Mr. and Mrs. Charles F. Davis, celebrated her second birthday Tuesday, June 5th. Many beautiful presents were received from her little guests.

The Hollis Art Club met informally Monday, June 2. The afternoon was spent working on sewing and embroidery. A delightful lunch was served by Mrs. Chauncey Herndon, the president.

Allen of the state University was a guest of the Club. The evening was spent playing whist. Mrs. Carey gave three prizes to the fortunate players. After a nice lunch the members spent a short time dancing.

Mr. Wilbur Stewart, medical student at the University of Iowa, has just returned home to spend the summer vacation with his parents. Mr. Stewart has just completed his second year and we are indeed glad to be able to congratulate him on his ability as a scholar and his determination as a man. We trust that in his desire to get ahead he will always keep these words foremost in his mind: "I can. I will and I must."

Rev. J. P. Jackson leaves next week for Minneapolis where he will attend the Baptist Sunday School convention. He will be gone a week.
