BETHEL A. M. E. CHURCH

Rev. Frederick Divers, Pastor.

The Sunday school is getting things under way for its Christmas celebration and Christmas three. The attendance is good, and the interest seems to be on the increase.

The pastor filled the pulpit morning and evening. The congregation continues to grow, and more life is being manifest each week in the various departments of the church. We are planning to make a special offering for our church at Christmas time. Every member is going to respond in a nice way on our purchasing fund.

There was one accession Sunday evening. And we are looking for many others before the year is past. Join the Tenth Legion, be a tither for God!

N. W. C. A. NEWS

The advisory and directing board held a very interesting meeting at the home Wednesday evening. Quite a lot of business was transacted and four applications for superintendent of the home were read and one accepted.

Any one having any underwear that can be mended for two old ladies and two old gentlemen please call Webster 4085, we will call for them or they can be brought to the home. It is true we are in the Community Chest, but that just takes care of the expenses in the home, and don't take care of them that are on charity, and the chest don't pay the \$52.50 per month on the home. The donations that are given to the home will be published here after the first of each month instead of each week.

The first of January a superintendent will be placed in the home. Our present matron will be retained also.
