**AMERICAN LEGION TO STAGE UNIQUE SHOW**

"Powder River" Featuring and Capturing Wild West Days Will Supply Thrills Enough to Satisfy Most Exacting

"Powder River," the big American Legion Jamboree, will be held on March 1st to March 8th at the Auditorium.

It will be a fast and furious week of pleasure and entertainment, according to the Legion men in charge.

"Bad Jim" Dahlman, the famous cow puncher, and his side-kick, "Mexican Joe" Koutsky, will be on hand to make things lively and with their six shooters, will try to control the town. The Red Dog Saloon will be the center of activities and "Big John" Hopkins, who drinks gasoline instead of water, will be in charge.

The famous "Calamity Jane's" Palace will be the real gambling joint of the fair city of "Powder River." Games of old, as seen during the early Western days, will again be played. Such innocent pleasures as stud poker, faro bank, dice and roulette, will prevail at "Calamity Jane's" Palace.

"There ain't much going on in 'Powder River' these days" said Razzberry Harry" Hough. "There was only two cuttin' scrapes and six shoot-in's during the past ten days. 'Honest Tom' Dennison was dealin' and a final pot had done simered down to Tom an' a pale faced stranger with a shifty eye that breezed into town some days before. Suddenly the lights went out and the shootin' started."

But for the coming American Legion Show, "Powder River" will be made even tougher than this according to "Bad Jim."

There will be fun every minute and each ticket purchaser will be provided with 5000 "smacks" in "Powder River" currency as soon as he enters the auditorium. This "Powder River" currency can be spent in having a good time dancing, gamblin', for soft drinks, sandwiches and in various other ways. Gilbert Jaffey's Music Masters will play for the dancing and everyone is assured of the fun incident to a visit to such a "lawless," liquor drinking, gun totin', card playing community.

There is bound to be plenty of excitement, for an election will be held to see who is Sheriff and Mayoress of "Powder River."

"Powder River" is rich also. Two automobiles and other prizes totaling \$4,000 will be given away. Don't forget the date, March 1st to March 8th. The American Legion will be the boss.

**Advertising Talk**

A hen is not supposed to have  
Much common sense or tact,  
Yet every time she lays an egg  
She cackles forth the fact.

A rooster hasn't got a lot  
Of intellect to show,  
But none the less most roosters have  
Enough good sense to crow.

The mule, the most despised of beasts,  
Has a persistent way  
Of letting folks know he's around  
By his insistent bray.

The busy little bees they buzz,  
Bulls bellow and cows moo,  
The watch dogs bark, the ganders quack,  
The doves and pigeons coo.

The peacock spreads his tail and squacks,  
Pigs squeal and robins sing  
And even serpents know enough  
To hiss before they sting.

But man, the greatest masterpiece  
That nature could devise,  
Will often stop and hesitate  
Before he'll advertise.

Merchants who are wise  
And want our people's trade  
Use THE MONITOR to advertise  
And thus their fortune's made.

Our beautiful, modern funeral home provides every convenience and our experience qualifies us to render the service demanded when loved ones are called by death.
