million dollars.

The building in which the univer-

sity is housed is about to be sold and it becomes necessary either for the members to purchase the building or provide other quarters. It is for this reason that the board of directors and friends have considered it advisable to make an appeal to the entire race throughout the United States to aid in the drive for the sum of \$50,-000 to be used in the purchase and alteration of the present building, or the buying of a new one.

This is the first time that the National University of Music has ever called upon the general public for COLORED YOUTH HONOR

support. Music has become one of the most important considerations in ing that burglars were in the house national life, not only as a means of enjoyment but as a source of profit to hundreds of young men and wo-
