KLAVER MAKING WHIRLWIND CAMPAIGN

With the primaries but a few days off, S. E. Klaver, deputy county assessor who is the republican candidate for county assessor is making a whirlwind campaign to win the nomination.

From the reports coming to Klaver's headquarters, Klaver is expected to win by a substantial majority, according to Henry J. Beal, county attorney who is assisting in the directing of Klaver's campaign.

Klaver should receive almost the unanimous vote of the colored people.

He has been our friend for years and during his four years as deputy, Klaver has made hundreds of friends.

"I have known Mr. Klaver since my arrival in Omaha," said John Adams, attorney who is one of the officers of the Klaver for county assessor club. He has made an efficient and honorable record as deputy and should receive the support of the voters."

Mr. Klaver has a wide acquaintance among our people. They know him. They know his pledge for taxes means not lower taxes in the newspapers and higher taxes on tax receipts but a promise that he will make every effort to reduce taxes especially that of the small home owner.

Mr. Klaver is a home owner and knows what it means to pay taxes. He was raised and educated in the Omaha public schools.

Women workers on primary day will make every effort among our own people to get out the vote and to impress on the voters mind to remember and vote for S. E. Klaver for county assessor.

WASHINGTON COUNTY BAR ENDORSES JUDGE HASTINGS

Judge Hastings, candidate for reelection and for nomination at the Non-partisan Primary on April 8th, is very proud of having received from Blair the following endorsement of his candidacy signed by the entire bar of Washington County:

"This letter is to call your attention particularly to the man lately appointed to fill Congressmen Sears' place, Hon W. C. Hastings. Judge Hastings is a man of modest and retiring disposition, and therefore probably not well known to political workers and to the public generally; but to lawyers and litigants who have had occasion to appear in his court it has been demonstrated that no one could be selected for the bench better qualified.

Judge Hastings has practiced law in Nebraska for many years, was Judge of the 7th District for eight years, Commissioner of the Supreme Court for three years, and Dean of the University of Nebraska College of Law for a number of years. His integrity, ability and industry are of the highest order and place him in the front rank of Nebraska jurists.

For the foregoing reasons the undersigned members of the bar recommend that in the Primary and Fall election the name of Judge Hastings be included in the list of District Judges for whom you cast your vote.

Advertising Talk

A hen is not supposed to have
Much common sense or tact,
Yet every time she lays an egg
She cackles forth the fact.

A rooster hasn't got a lot
Of intellect to show,
But none the less most roosters have
Enough good sense to crow.

The mule, the most despised of beasts,
Has a persistent way
Of letting folks know he's around
By his insistent bray.

The busy little bees they buzz,
Bulls bellow and cows moo,
The watch dogs bark, the ganders quack,
The doves and pigeons coo.

The peacock spreads his tail and squawks,
Pigs squeal and robins sing
And even serpents know enough
To hiss before they sting.

But man, the greatest masterpiece
That nature could devise,
Will often stop and hesitate
Before he'll advertise.

Merchants who are wise
And want our people's trade
Use **THE MONITOR** to advertise
And thus their fortune's made.
