PLANT SHRUBS AND FLOWERS

OUR people, as a rule, love beauty. Bright colors attract us. This furnishes much fun-making. Never mind that. Better be too garish, than too dull.

NEWSLETS

Men have been preying on each other ever since the creation. There are 35 colored builders and building contractors in Columbus, O.

ARTICLE XIV, CONSTITUTION OF THE UNITED STATES

Citizenship Rights Not to Be Abridged

1. All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside.

LINCOLN NEWS AND COMMENT

Easter was observed in all churches—all giving appropriate programs.

Rev. I. B. Smith was called to Hastings last Monday where he preached at the funeral of J. S. Craig, a prominent citizen of that city.

The naming of the "tea greatest" does not necessarily call for a list of the "ten smallest."

Dr. Wilbur A. Drake of Norfolk has been appointed Assistant Surgeon to the Virginia Railway and Power Co.

When you catch a democratic senator with the goods on his person, he howls that he has been "framed."

In every group of 1,000 colored married women in the District of Columbia, 497 are engaged in gainful employment.

It is difficult to make a defeated politician believe that "The voice of the people is the voice of God."

Editor Walls of the Star of Zion wants the Zionists to cut out dancing—and they have been calling him a "Modernist."

Our well known Cincinnati bachelor editor observes that very few men enjoy being kissed in public.

An analysis of the primary election returns indicates that the "Migrant" has been taught how to place the little cross mark on his ballot.

The women of Nyasa Basin in South Africa always kneel before their husbands when talking to them.

Most of us remember when the "Jim Crow" rules, on trains entering Illinois from the South, became inoperative when the State line was reached.

BETHEL BAPTIST CHURCH

Easter was observed with appropriate services. The Rev. Mr. Young preached on the significance of the day at the morning service.

ALLEN CHAPEL A.M.E. CHURCH

Easter services reached a high mark in attendance and inspiration. At 11:00 o'clock, the Rev. John T. Brown, preached a strong sermon on "The Risen Christ."

MT. MORIAH BAPTIST CHURCH

Easter services brought out large congregations. The pastor preached at all services. At the 11:00 o'clock service he delivered a scholarly sermon from the text, "Why seek ye the Living among the dead?"

A THOUGHT FOR THE WEEK

I would be TRUE for there are those who trust me, I would be PURE for there are those who care. I would be STRONG for there is much to suffer, I would be BRAVE for there is much to dare, I would be FRIEND to all the many friendless, I would be GIVING and forget the gift, I would be HUMBLE for I know my weakness, I would LOOK UP, and laugh, and love and lift.

BOYS' WEEK

NEXT week is to be observed as Boys' Week. Its purpose is to make the community realize what a valuable asset it has in boyhood and to develop and conserve this asset.

All citizens will enthusiastically participate in this great movement for the conservation of the potential manhood of the nation.

Speaking for our own group, we feel confident that parents and children will lend their hearty co-operation in helping to make the results of Boys' Week all that its promoters desire it to be.

CAN SUPPLY COLOR

McADOO says the democratic party cannot afford to nominate as its presidential standard bearer any colorless candidate.

The Monitor respectfully suggests that if the democrats are really sincere in seeking a candidate who is not "colorless" there are many able men among our group who can qualify for the job both in pigmentation and brains.

CLEAN UP, PAINT UP

THIS is a good slogan which all self respecting citizens will be glad to heed. Rakes and hoes and paint brushes are very much in evidence these days among our forward-looking and progressive citizens.

A DIFFERENCE

MANY of our people who are loudest in their talk of race pride are found wanting when it comes to show their race pride by patronizing race enterprises.

We are sorry to learn of the continued illness of Mr. John Huff at Hastings.

Mrs. Melissa Harding of Chillicothe, Mo., is visiting her daughter, Mrs. J. A. Patrick, here.

Easter services were begun early at Mt. Zion Baptist church, the first services being held at 6 a. m. and following Sunday school. The children rendered a fine program, consisting of songs and recitations, which was greatly enjoyed by all.

Rev. G. W. Carter was transferred from Lincoln to Manhattan, Kans., was appointed to Lincoln for the ensuing year.

Services were observed as follows at the A. M. E. church Sunday: After Sunday school the children exercises were rendered, being good.

"The original act was held valid as to citizens; barber shops can not discriminate against persons on account of color. Messenger vs State, 25 Nebr. page 577. N. W. 688."

"A restaurant keeper who refuses to serve a colored person with refreshments in a certain part of his restaurant, for no other reason than that he is colored, is civilly liable, though he offers to serve him by setting a table in some private part of the house.
