THE ST. PAUL PRESBYTERIAN CHURCH
 Twenty-sixth and Seward Streets—Russel Taylor, Pastor.

At the morning services the Sunday school children rendered an instructive program on our mission work in Mexico. We are going to work more concern to our great missionary programs than we have in the past, and we commend our superintendent who, working under very unfavorable conditions, was able to put over the program and secure a contribution for our work in Mexico of \$2.00 from the Sunday school children.

The pastor was very busy the fore part of the week attending the meeting of the Presbytery. By special request of the stated clerk of Presbytery he was asked to address the body in behalf of St. Paul's. The impression made was very favorable and there is little doubt but that St. Paul will receive more favorable consideration from the Presbytery. Ruling Elder Calvin H. Spriggs represented the church in Presbytery, Monday, and Ruling Elder R. T. Kerr performed the same function Tuesday afternoon. To thus have our laymen in the Presbytery and higher courts of the church has been one of the pastor's greatest desires and means much to the church. When she shall have organized our Women's Missionary Society, which organization will be effected very soon, then our women will have opportunity to meet with the women's organization of Presbytery and Synod and thus by the contact become more familiar with the work and aims of the church.

Mrs. H. B. Taylor accompanied by Mrs. Minnie Spriggs met the Women's Missionary Society of the North Presbyterian Church last Friday. Mrs. Taylor addressed the society in behalf of the general work of the church for our people with special emphasis on the work and needs of St. Paul's. With almost unanimous voice those present declared from the information given they had new light and hence new zeal for the work.

Sunday morning services will be in keeping with Boys' Day. The St. Paul male quartet will render special music. Dr. Augustus Edwards, senior physician of the city, will deliver the laymen's address to the boys.

There will be regular services Sunday evening.

MEMBERS ON SCHOOL BOARD URGED IN PHILLY

Philadelphia, April 25.—The Tribune is behind a campaign for a colored member on the Board of Education to fill an existing vacancy.

A CALL FOR THE ORGANIZATION OF A CHORAL SOCIETY

For some time the pastor of St. Paul's has had in mind the organization of a choral class. In fact ever since he conducted the concert given under the auspices of the Colored Commercial Club in the City Auditorium two years since, several prominent white citizens among them Mr. S. S. Caldwell has urged to effect such an organization. There seems now to be a demand for such from our own people. There is no reason why that with the excellent musical talent in Omaha, there should not be such an organization. Its advantages are almost limitless.

To this end therefore I am issuing a call for all interested in an organization to meet at the St. Paul Presbyterian Church, Thursday, 8:00 p. m. that steps may be taken towards such an organization.

I am very pleased to say that I encouraged to take this step because of the fact that Mrs. Frederick Divers and Mrs. M. H. Reeves, the efficient organist of the Pilgrim Baptist church, both of whom are exceptionally accomplished musicians both as to piano and voice, join me most heartily in this call.—Russel Taylor.

EASTER AT ST. PHILIP'S EPISCOPAL CHURCH

The Church of St. Philip the Deacon was filled with worshippers at the 6:30 a. m. and 11:00 o'clock services Easter Day, and the children's vesper service also brought out a good number. The early service was a plain celebration of the Holy Communion, while the 11:00 o'clock service was full choral and included shortened matins, the Holy Eucharist and sermon. The altar and chancel were beautifully decorated with Easter lilies and cut flowers and the customary lights including the tall Paschal candle, which symbolizes Christ's Presence during the great forty days between Easter and Ascension. The music was excellent under the direction of Mrs. Florentine F. Pinkston, choir director with Mrs. John Albert

Williams at the organ and Worthington L. Williams, violinist. The solo parts in Schilling's beautiful anthem, "Christ, Our Passover" were admirably rendered by Weldon Solomon, tenor; Miss Ernestine Singleton, alto, and Mrs. Augustus Hicks, soprano.

BURIED WITH MILITARY HONORS

"Bookie" Harper, son of Mrs. Bessie Woods, died at the home of his mother, 1002 South Thirteenth street, Sunday morning. The funeral was held Thursday afternoon from the chapel of Myers Western Funeral Home. Rev. John Albert Williams officiated. Deceased was a member of Roosevelt Post of the American Legion, members of which were active pallbearers. A firing squad from Fort Omaha acted as an escort and gave customary military honors at the grave. Interment was in the American Legion's plot at Forest Lawn.

BOYS' DAY AT ST. PHILIPS

Pursuant to the request that all churches join the observance of Boys' Week, the 11 o'clock service Sunday will be a special one for boys. A short address on "Why the Church Needs the Boy" will be given by Dr. Craig Morris and on "Why the Boy Needs the Church" by Joseph Dorsey.

The Pepper Pot Club and friends enjoyed a delightful egg hunt Easter in the grove at Thirty-third and Lake streets. Miss Margaret Bell won the girls prize and James Oglesby the boys'. A hike on the river road to Florence is planned for Sunday at 8 o'clock. Miss Mildred Turner will be chaperon.

Advertising Talk

A hen is not supposed to have
 Much common sense or tact,
 Yet every time she lays an egg
 She cackles forth the fact.

A rooster hasn't got a lot
 Of intellect to show,
 But none the less most roosters have
 Enough good sense to crow.

The mule, the most despised of beasts,
 Has a persistent way
 Of letting folks know he's around
 By his insistent bray.

The busy little bees they buzz,
 Bulls bellow and cows moo,
 The watch dogs bark, the ganders quack,
 The doves and pigeons coo.

The peacock spreads his tail and squawks,
 Pigs squeal and robins sing
 And even serpents know enough
 To hiss before they sting.

But man, the greatest masterpiece
 That nature could devise,
 Will often stop and hesitate
 Before he'll advertise.
