Eugene Nichols is home from Washington, D. C., where he attended Howard university the past two years. Nichols is taking dentistry.

The Brotherhood's first banquet, given in Mt. Zion Baptist church, last Thursday night was quite a success. Mesdames Fannie Young and Allie Harding are at Camp Crete for ten days, staying with the Campfire girls.

Bill Hightower went over to Crete Tuesday to cook for the Campfire girls.

ST. JOHN'S BAPTIST CHURCH ELECTS OFFICERS

The St. John's Baptist church was organized in the Bethel A. M. E. church Tuesday evening, June 3rd. The following officers were elected: Deacons—W. D. Taylor, T. B. Van, J. A. Archie and M. L. Broadus. Trustees—A. D. Dudley, R. A. Falls, W. D. Taylor, T. B. Van, J. A. Archie and J. L. Taylor. Clerk—M. L. Broadus. Asst. Clerk—Mrs. A. D. Dudley. Treasurer—W. D. Taylor. At the close of a very enthusiastic meeting Rev. E. H. McDonald was called as pastor. He is a man of high Christian character and scholarship, with a wide experience in the work of the denomination.

The first services were held in the Tabernacle Hall, on 24th street Sunday morning and night with a good congregation. Soul stirring sermons were preached each time. In the morning he spoke from the text, "And lo! I am with you always", and at night, "Fear not." After the morning service the Sabbath school was organized with M. L. Broadus as its superintendent and J. L. Taylor was elected as president of the B. Y. P. U.

On Friday evening the Dorcas Mission and Art Club was organized with Mrs. W. D. Taylor as president and Mrs. Van, chaplain; Mrs. Archie, secretary; Mrs. Green, treasurer; Mrs. Bulford, chairman of buying committee; Mrs. Lewis as assistant. This very enthusiastic meeting was held in the home of Mrs. Green. We were very elated over one addition Sunday evening when Mrs. Sadie B. Scott, formerly of Salisbury, Mo., cast her lot with us. The outlook is very bright so far and we feel that under the leadership of Dr. E. H. McDonald that we will grow numerically and spiritually.

We welcome the public to attend

our services each Sabbath. "Come with us and we will do thee good."

ST. PAUL PRESBYTERIAN CHURCH
26th and Seward Streets
Russel Taylor, Pastor.

Services Sunday were very good. At the morning worship, Dr. Halsey, stated clerk of Omaha Presbytery worshipped with us. He was heard to remark, "that sermon was worthy of a crowded house."

Mrs. M. A. Johnson, superintendent of the Sunday School, is busily preparing the children for the Children's Day service. Indications are that these exercises will be the best ever. Partial arrangements are being made to have Dr. Ernest of the Lowe Ave. Presbyterian church to give an illustrated address to the children on that occasion.

The young people enjoyed themselves at the Endeavor Social Friday evening at the pastor's residence. A neat little sum was realized.

These are perilous times. War clouds are threatening across the Pacific. The depths of moral degradation seem to have been reached in Chicago's unparalleled murder case. What does it all mean? Come and hear the matter discussed from the standpoint of God's Word Sunday, for which occasion the pastor will have for his topic, "The World is Out of Joint." The evening topic will be, "The Good Seed is Being Sown—Is Your Heart's Soil Properly Prepared?"

Advertising Talk

A hen is not supposed to have
Much common sense or tact,
Yet every time she lays an egg
She cackles forth the fact.

A rooster hasn't got a lot
Of intellect to show,
But none the less most roosters have
Enough good sense to crow.

The mule, the most despised of beasts,
Has a persistent way
Of letting folks know he's around
By his insistent bray.

The busy little bees they buzz,
Bulls bellow and cows moo,
The watch dogs bark, the ganders quack,
The doves and pigeons coo.

The peacock spreads his tail and squawks,
Pigs squeal and robins sing
And even serpents know enough
To hiss before they sting.

But man, the greatest masterpiece
That nature could devise,
Will often stop and hesitate
Before he'll advertise.

Merchants who are wise
And want our people's trade
Use THE MONITOR to advertise
And thus their fortune's made.
