The title is honorary and does not imply any official connection with the institution, being awarded for "distinguished work in literature, and interest in the university". Mr. Spingarn joined the N. A. A. C. P. in 1910, just fifteen years ago, and was chairman of its board of directors from 1913 to 1919, when he was obliged to retire because of his temporary absence in France with the A. E. F.

Devotion service was led by the chairman, Mrs. Estella Craig.

Favorable reports were made from the various committees. Among one of the most interesting reports was from the Girl Reserve chairman, Mrs. Belle Riley. YOUNG MEN GET OUT DIRECTORY

Twenty-four enterprising young men, junior members of the Colored Commercial Club, have already printed, ready for free distribution, what is conceded by sane and steady Omaha business men to be one of the greatest boosts for businesses for any group or race, a directory of all Negro businesses listed at the Colored Commercial Club. It is hoped, the distributing committee says, that 3,000 copies will be distributed by next Sunday night.

"This work comes," says the group, "to fill an imperative need. We wish the Colored population to awaken to their future possibilities by learning to patronize their own business men. We have catalogued for their convenience a very comprehensive list of racebusinesses."

AFRICAN ALIEN EMIGRANTS EXCEED IMMIGRANTS

Washington, D. C., March 20.—(Columbian Press Bureau.)—According to statistics compiled by the U. S. Bureau of Immigration, 681 African aliens departed from the United States during the seven months' period ending January 31, 1925. This number is 154 more than 527, the number of African immigrants which landed in the United States during the same period. This showing indicates that African people are, to some extent, following the trend of the Spanish, Italian, Japanese, Croatian, and other peoples, whose tendency is to return to their homelands in greater numbers than those that are leaving; while the English, French, German and Mexican people are flooding the gates of the United States for entrance.

BUSINESS MEN HOLD MEETING
