### What more could you ask for \$500 Down?

The very latest in plumbing, electrical fixtures, builtin features. In fact, everything the word home implies---and you are the first occupants, assuring you that the property has not been mis-used.

All of these homes have full cemented basements, floor drain, hot and cold water faucets, sill cock, oak floors throughout, oak finish in living and dining rooms, enamel finish in rest, full screens.

Remember the adage, "Opportunity is bald and must be seized by the forelock"! If you are reliable and can't raise the \$500 down, don't be bashful, but let's talk it over.

Be fair to yourself and stop paying high rents. Paying only \$20 a month for ten years amounts to \$3,163.36 you have given away, and then may have to move.
