

**RESOLUTIONS ADOPTED**  
BY N. A. A. P. C. P. IN CON-  
FERENCE IN DENVER

The N. A. A. P. C. has made public the resolutions adopted at the Sixteenth Annual Conference in Denver, Colorado.

The resolutions in part were as follows:

**Aims of the Association**

We have before us today five major aims: 1. The complete abolition of lynching and mob law; 2. Political freedom; 3. Industrial democracy; 4. Better education; 5. The absolute ending of segregation of all sorts based on race and color.

Let no one think that lynching is stopped in America as long as one victim every month is publicly murdered and even burned by mobs.

There is no political salvation for the Negro as long as he is owned body and soul by the republican party or by any other party. A free, intelligent ballot is our one political salvation and no place, honor, or salary is worth its loss.

We stretch again hands of fellowship and sympathy to all the working people of this land and the world. We would unite with them as equals and as fellows, striving through organization to make modern industry democratic rather than autocratic, to end monopoly and privilege in credit and capital and to make social welfare rather than individual wealth the end of all industry.

We are deeply alarmed at the lack of common schools for our children and we see widespread effort to deny us high school training and to keep our talented youth out of colleges and professional schools.

We believe in humanity; we believe in the social and civic equality of all men; we will fight to the bitter end every effort to separate, segregate and publicly humiliate human beings of any kind, because of race or color. We are fighting residential segregation in the last ditch before the Supreme Court of the United States. We are attacking disfranchisement in the South by bringing the white primary before the bar of national justice.

**The Bullard Slander**

Resolved, That we note with disgust and resentment the attempt of General Robert Lee Bullard of Alabama and the United States Army to defame and discredit the men of the Ninety-second Division (colored) of the American Expeditionary Forces in France. A cloud of witnesses has arisen to overwhelm with denials this assailing of brave men and faithful soldiers; it is not necessary for us to add to a refutation so complete and signal. But we feel impelled to record our solemn protest against General Bullard's action as a hostile gesture, most improper in any army officer, from the element in the South that is still unlightened and still cavedwelling, and as a gross, wanton insult to ten per cent of the people that pay General Bullard his wages and whose servant he is.

**Haiti**

The National Association for the Advancement of Colored People, assembled in its Sixteenth Annual Conference, respectfully reminds the President of the United States and its Secretary of State that the independent and sovereign republic of Haiti is still occupied, in defiance of international law by American troops. We beg leave to represent that all of the purposes alleged as excuses for this illegal occupation have been achieved. Under the military power of the United States the constitution of Haiti has been destroyed and a new one substituted. The American capital that sought advantages denied under the old constitution has made its desired investments under the new. American sugar corporations are now prosperously installed in the subjugated country. We submit that in these conditions the time has come for us to fulfill our belated obligations to this oppressed country. We therefore request that American troops be withdrawn from Haiti at

once and the country restored to such of its people as still survive.

**Abolitionists**

In view of the persistent and evidently concerted effort to discredit the leaders of the great abolition movement that freed this country from the terrible blight and inextinguishable shame of slavery, it is the sense of this conference that wherever and whenever possible this association should commemorate the birthdays and public services of those noble and unselfish men and women.

**AMHERST STUDENTS**  
MAKE FINE RECORDS

Amherst, Mass., July 17.—When the annual convocation at Amherst college was held recently three members of our race were among those to graduate with high honors. It marks the first time in the history of the college that the members of our group have made such a splendid showing.

Degrees were conferred upon Henry Hastie, 608 Q street N. W., Washington, D. C., a star athlete, who was valedictorian of his class. Hastie was also president of the Phi Beta Kappa honor fraternity.

William Montague Cobb, 1326 T street, Washington, D. C., was given 'the highest honor of any member of his class when he was awarded a scholarship to study at Wood's Hole Marine laboratory. Cobb has the honor of being the second member of our race to win this distinction, the first person being Dr. Just of Howard university.

Will Mercer Cook, son of Will Marion Cook and Abbie Mitchell, won the Phi Beta Kappa key. He also won a \$1,500 scholarship to study at Sarbonne, France. He is to be married soon to Miss Bernice Wilson of New York city and will sail with his bride.

Charlie Drew, captain of Amherst track team for 1926, will be graduated next year.

All are members of the Omega Psi Phi fraternity.
