THE MAYO SPIRITUAL SOCIETY'S TRIBUTE TO MRS. MATTIE GREENFIELD

Mrs. Mattie Greenfield, who departed this life August 4, was a devout and faithful member of the Mayo Spiritual Society, which is built on the Christian faith. She was a believer in Truth and a faithful worker. She affirmed that a correct understanding of the phenomena of nature and in living in accordance therewith constitute a true religion. She believed that the highest morality is contained in the Golden Rule, "Whatsoever ye would that men would do unto you, do ye also unto them." She affirmed the moral responsibility of the individual and that she made her own happiness as the nature of the psychic laws. She was also one who believed as a part of her of the communication of this and the spirit world by means of mediumship, and who endeavored to mould her character and conduct in accordance with the highest teachings derived from such communion.

We shall miss her loving smile and cheerful laugh.

Mrs. Mattie Greenfield is not dead for death to us is only a dream.

Dream on, dear one, and take thy rest.

Sincerely,
The Mayo Spiritual Society.
